TRAUMA THERAPY TRAINING WORKSHOP

Centre for Clinical Psychology (CCP), University of the Punjab responded to the need of the time by organizing a workshop on “TRAUMA THERAPY” in the wake of the Peshawar Massacre. Dr. Akhtar Ali Syed, Principal Clinical Psychologist from Ireland Republic conducted a two days workshop on 31st December, 2014 and 01st January, 2015. The first day of the workshop was reserved for Trainee Clinical Psychologists, while the second day focused on Professional Clinical Psychologists. Both the sessions provided enriched training through theoretical and empirical based discussions and practical demonstrations of various exercises that can be helpful while working with trauma ridden community. This workshop will help to deliver the much needed psychological services to the sufferers of Peshawar attack. The CCP administration requested the Government of the Punjab and Government of Pakistan to take on board only Trauma Therapy Trained Clinical Psychologists so that these children can benefit from trained professionals.
