

# List of Ph.D Produced by Punjab University till 2007

Faculty Name	Department Name	Name	PhD Thesis Title
<b>1931</b>			
Faculty of Science	Department of Botany	A. C. Joshi	Contribution to Floral Morphology, Embryology and Cytology
<b>1935</b>			
Faculty of Science	Department of Botany	Pushkarn Nath	Flowering, Berry Setting and Sterility in Wild and Cultivated Potatoes
<b>1940</b>			
Faculty of Arts	Department of History	Indra	Organization for War and Peace in Ancient India (600 B.C to 700 A.D.)
<b>1941</b>			
Faculty of Science	Institute of Chemistry	Surjit Singh	Oxides and Oxy-Acids of Iodine
Faculty of Science	Institute of Chemistry	Mahant Sampurand Das	Chemical Reactions in the Electrodeless Discharge
<b>1942</b>			
Faculty of Science	Department of Botany	Jai Chand Sadana	Plant Carotenoids in Relation to their Biological Importance
Faculty of Arts	Department of English	Kishen Chand	Symbolism in Modern Drama
<b>1943</b>			
Faculty of Science	Institute of Chemistry	Abdul Ahad	Studies in the Biochemistry of Mineral and Fat Metabolism of "Normal" and "Tirak" Affected 4F-American Cotton Plants in the Punjab
Faculty of Arts	Department of Philosophy	R.K. Kaw	Doctrine of Recognition (Pratyabhijna Darsana): Philosophico-Religious Doctrine of Kashmir; a Study of its Orgin and Development and Place in Indian and Western Systems of Philosophy
Faculty of Science	Department of Zoology	Nazir Ahmad	Fishes of Lahore
Faculty of Science	Department of Botany	P. C. Raheja	Growth Studies on Sugar Cane (Saccharum 1943 Growth Studies on Sugar Cane (Saccharum officinarum))

Faculty Name	Department Name	Name	PhD Thesis Title
Faculty of Science	Institute of Chemistry	Badar ud Din	Certain Applications of Physical Chemistry to Problems of Petroleum Technology
Faculty of Arts	Department of History	Agha Abdul Sattar Khan	History of Ilutmish (Emperor of India) (607-633 A.H. 1235 A.D.)
<b>1944</b>			
Faculty of Science	Department of Zoology	Ganpati Parshad Sharma	Studies on Spermatogenesis
Faculty of Science	Department of Zoology	Pal Rajindar	On the Bionomics of Anopheles culicifacies Giles
<b>1945</b>			
Faculty of Science	Department of Botany	B. G. L. Swamy	(Ph. D. Degree was awarded on the basis of publications)
<b>1946</b>			
Faculty of Science	Institute of Chemistry	Ram Chand	Studies in Heterogenous Equilibrium
Faculty of Science	Department of Physics	Jantinder Nath Nanda	F-Values of Potassium Atom and Experiments on Absorption of Light by Potassium Vapour
Faculty of Science	Institute of Chemistry	K.B. Sehra	Phosphorus Metabolism
Faculty of Arts	Department of Economics	I.S. Sachdev	Banking in the Punjab
<b>1947</b>			
Faculty of Arts	Department of Economics	M.A.Hasan	Indian Public Finance; Indian Private Finance
Faculty of Science	Institute of Chemistry	Mohan Lai Khanna	Studies in Dia-and Para-Magnetism
Faculty of Arts	Department of History	Pal Yash	India in the Days of Gautama
Faculty of Science	Department of Botany	Syed Ali Momin	Investigations on the Chemical Composition and Nutritive Value of Tree Leaves and Indigenous Grasses
<b>1948</b>			
Faculty of Arts	Department of Economics	S.N. Kaul	Economic Development in Kashmir State; A Ground Work of Economic History of Kashmir Brought Down from Earliest Time to its Present Day Economic Problems
<b>1949</b>			
Faculty of Science	Department of Botany	Sultan Ahmad Tirmazi	Biochemical and Technological Investigation in Oleiferous Brassicae
Faculty of Science	Department of Botany	Sharif ud Din AhmaWarsi	Plant Products of Medicinal and Nutritive Value

Faculty Name	Department Name	Name	PhD Thesis Title
<b>1950</b>			
Faculty of Science	Department of Botany	Ch. San Ahmad	(Ph. D. degree was awarded on the basis of publications)
<b>1954</b>			
Faculty of Arts	Department of Sociology	Mukhdum Tasadduq Ahmad	A Study of the Social Institutions in Swat
Faculty of Science	Department of Geography	Khalil Ullah Kureishy	A History of the Sayyid Dynasty
Faculty of Science	Institute of Chemistry	Dr. M. Balasubramanian	Synthesis of P-Amino, P-Unsaturated and Bis (Aminoaryl) Sulphones
Faculty of Arts	Department of History	Hameed ud Din	A History of the Sayyid Dynasty
<b>1955</b>			
Faculty of Arts	Department of History	Zafar ul Islam	Growth of Muslim Political Consciousness in Indo-Pakistan Sub-Continent 1898-1940
<b>1956</b>			
Faculty of Science	Institute of Chemistry	Abdul Waheed Khan	(A) Nutritional Studies of Foods and Foodstuffs (B) Influence of Some New Microorganisms on Cotton Seed Oil
<b>1957</b>			
Faculty of Arts	Department of History	Hafiz Mohammad Adil	Alexander Burnes and the Navigation of the Indus
Faculty of Science	Institute of Chemistry	Elias Dubash	Studies in Kinetics and Mechanism of Enzymic Lipolysis
Faculty of Arts	Department of History	Shabbir Ahmad Tahiri	Synopsis and Bibliography of History of Urdu Historiography
<b>1959</b>			
Faculty of Science	Institute of Chemistry	Ahsan ul Haq Rehman Rana	Potentiometric Studies
<b>1960</b>			
Faculty of Education	Institute of Education & Research	Fazal Mohammad Khan	Curriculum Principles Applied to High Schools in the West Unit Pakistan with Particular Reference to Mathematics
<b>1962</b>			
Faculty of Arts	Department of Sociology	Mohammad Afzal	Management Analysis: an Emerging Staff Function
<b>1963</b>			
Faculty of Education	Institute of Education & Research	Tanveer Sardar Ahmad	An Evaluation the Science Curriculum for Primary Schools in Pakistan

Faculty Name	Department Name	Name	PhD Thesis Title
Faculty of Education	Institute of Education & Research	Sabir Ali Alvi	Traditional and "Culture Fair" Aptitude Test Performance of College Students from Different Academic and Cultural Background
Faculty of Arts	Department of History	Ikram Ahmad Butt	Lord Curzon and the Indian States -1899-1909
<b>1964</b>			
Faculty of Arts	Department of History	Ghulam Sarwar Khan Niazi	The Life and Works of Sultan Ala- ud-Din Khilji
Faculty of Education	Institute of Education & Research	Razia Rafiq	A Scientific Evaluation of the Unit "Relations and Functions" in three Algebra Programmed Textbooks in Terms of Educational Objectives
Faculty of Education	Institute of Education & Research	Muhammad Wasiullah Khan	A Study of the New Organizational Structure of the Indiana University Junior High School, Bloomington, Indiana
<b>1965</b>			
Faculty of Education	Institute of Education & Research	Hafiz Muhammad Sharif	A Proposed Program of In-Service Education for Teachers with Special Reference to Improving the Teaching of the Language Arts in the Primary School of Pakistan
Faculty of Education	Institute of Education & Research	Nasimullah Khan	A Study of the Production and Utilization of Educational Television to Facilitate Secondary Education in General Science, and the Formulation of Guidance in Educational Television for Pakistan
Faculty of Arts	Department of Philosophy	Earl Robert Reynolds	A Historical Study of the Work of Certain Nineteenth
Faculty of Education	Institute of Education & Research	Muhammad A. El- Naggar	A Comparative Study of Mathematics Programs in Egypt and the United States (Grades 7, 8 and 9)
Faculty of Education	Institute of Education & Research	Feroza Yasmin	Creating Stories for Children in Pakistan
<b>1966</b>			
Faculty of Education	Institute of Education & Research	☞Dil Nawaz Butt	The Development and Application of Selected Criteria for Writing Elementary School Mathematics Textbook
Faculty of Education	Institute of Education & Research	Zubeda Zafar Umer	A Hypothesis for Teaching Urdu to Bilingual Children in Pakistan

Faculty Name	Department Name	Name	PhD Thesis Title
Faculty of Education	Institute of Education & Research	Rafi Muhammad	An Investigation for the Development of Evaluative Criteria for Boys High Schools of Lahore Region
Faculty of Education	Institute of Education & Research	Muizz-ud-din Sheikh	A Comparative Study of Personality Characteristics of the Teachers in Training in Culturally Different Areas of West Pakistan
Faculty of Education	Institute of Education & Research	Din Muhammad Malik	Philosophical and Sociological Implications of the Report of the Commission on National Education for Pakistan
Faculty of Education	Institute of Education & Research	Marvin M. Cole	A Special Appraisal of the Master of Education Program at the Institute of Education and Research, University of the Punjab
Faculty of Arts	Department of Economics	John Staley	Economy and Society in Dardistan Traditional Systems and the Impact of Change
Faculty of Science	Department of Zoology	Muhammad Ashraf	Studies on the Ecology and Biology of some of the Soil Collembola

**1967**

Faculty of Education	Institute of Education & Research	Iftikhar Hassan	The Body Image and Personality Correlates of Body Type Stereotypes
Faculty of Education	Institute of Education & Research	Carwise Josephlouis	Aspirations and Attitudes Toward Education of Over and Under Achieving Negro Junior High School Students
Faculty of Arts	Department of Philosophy	Parveen Feroze Hassan	A Political Philosophy of Iqbal
Faculty of Science	Institute of Geology & Applied Geology	F. A. Shams	The Granites of the Mansehra and Amb State Area and the Associated Metamorphic Rocks
Faculty of Arts	Department of Sociology	Habib ur Rehman Siddique	Family Social Engineering and Population Programs; a Study of Physicians, Government Officials, Lawyers and Professors in Pakistan
Faculty of Education	Institute of Education & Research	Donald Dean Bennet	Selected Attributes which Influence Commitment to Teaching of Female 18 Elementary Teachers with Different Preparational Backgrounds
Faculty of Education	Institute of Education & Research	Abdul Rashid Azad	Construction and Validation of a Group Intelligence Test for Classes IX and X
Faculty of Arts	Department of Sociology	Attiya Inayatullah	Pakistan's Social Institutions and Behaviour Patterns in Relation to Population Growth

Faculty Name	Department Name	Name	PhD Thesis Title
Faculty of Science	Institute of Geology & Applied Geology	Fazal-ur-Rahman	The Geochemistry of the Granites and the Associated Rocks of the Mansehra Area (Dist. Hazara)
<b>1968</b>			
Faculty of Education	Institute of Education & Research	Nazir Ahmad	The Role of Education in the Realization of Socio-Economic Policy of the Government of Pakistan
Faculty of Science	Department of Physics	Mustafa Yar Khan	The Emission of Soft Electromagnetic Radiation from Metals under High and Low Energy Positive Ions Bombardment, and Photo-Ionization and Photo-Emission in Geiger Muller Tubes
Faculty of Science	Institute of Chemistry	Muhammad Rafiq	Studies on Antibiotic Producing Microorganisms from West Pakistn Soils; Aspergillus Species.
Faculty of Science	Department of Zoology	Syed Rehman Anwar	Studies on the Biological Control, Ecology, Seasonal Prevalence, Geographical Distribution and Interspecific Competition of Dacus Species in West Pakistan
Faculty of Science	Department of Zoology	Majid Yaseen	Studies on the Morphlogy, Biology and the Ecology of some Adelgids and their Important Predators in West Pakistan
Faculty of Education	Institute of Education & Research	Mahmood ul Hasan Butt	Conceptions of Structures of Knowledge and their Bearings on Curriculum Planning
Faculty of Education	Institute of Education & Research	Muhammad Ayyub	Study to Develop a Unity of Programmed Learning in General Science for Class VI and to Validate it
Faculty of Science	Department of Botany	Javed Iqbal	A Study of Morpho-Physiological Effects of Gamma Irradiation on Shoot Apical Meristem and Tissue Differentiation in Stem and Leaf of Capsicum annum L
Faculty of Arts	Department of Philosophy	Muhammad Maruf	Iqbal's Philosophy of Knowledge; a Critical Approach to Iqbal's Position on Religious Experience as a Source of Knowledge
Faculty of Education	Institute of Education & Research	Muhammad Ashraf	An Evaluation of Existing Supervisory Practices in Elementary School
<b>1969</b>			
Faculty of Science	Department of Zoology	Rafiq Ahmad	Studies on Coccoidea and their Natural Enemies in 1969 West Pakistan
<b>1970</b>			

Faculty Name	Department Name	Name	PhD Thesis Title
Faculty of Science	Institute of Chemistry	Fazal-ur-Rehman	Studies on Pectin Esterase
Faculty of Science	Department of Zoology	Syeda Khatija Kazmi	Studies on Tetranychoid Mites of Economic Importance and their Natural Enemies in West Pakistan
<b>1971</b>			
Faculty of Science	Department of Psychology and Applied Psychology	Saif ur Rehman Ullah	The Impact of Culture Conflict on Identity: With an Emphasis on Pakistan
Faculty of Arts	Department of Sociology	Asghari Khanum Awan	Social Pathology of Pregnancy Wastage: A Follow Up Study of Socio-Biologic Correlates of Reproductive Loss
Faculty of Education	Institute of Education & Research	Nasim A. Lodhi	Comparative Study of the Effects of Bilingualism and Non-Bilingualism upon Intelligence and Achievement of Children
Faculty of Education	Institute of Education & Research	Khushi Muhammad	Evaluation of Master's Degree Program at the Institute of Education and Research, University of the Punjab
Faculty of Science	Institute of Chemistry	Bashir Ahmad Nasir	Emulsions and their Technical Use for the Solution of Problems Relating to Water-Logging, Salinity and Pests
Faculty of Science	Institute of Chemistry	Manzoor Ahmad Ghuman	Study of Emulsions, their Production and Industrial Uses
<b>1972</b>			
Faculty of Science	Department of Zoology	Muhammad Nazir Bhatti	The Reproductive Physiology of the Teleostand Colisafaciata (Bloch and Schneider)
Faculty of Science	Department of Zoology	Daulat Ali Zaidi	Studies on the Systematics and Biology of the Helminth Parasites of Fishes from West Pakistan
Faculty of Science	Department of Zoology	Mohammad Sharif Butta	Studies on the Digenetic Trematode Parasites of Vertebrates of West Pakistan
Faculty of Education	Institute of Education & Research	Syed Abdul Ghaffar	A Comparative Study of the Pilot, Comprehensive and Ordinary Secondary Schools of the Punjab Province of Pakistan
Faculty of Science	Institute of Geology & Applied Geology	Shafique Ahmad	Geochemistry and Physical Properties of Chromites from Pakistan
Faculty of Education	Institute of Education & Research	Eaton John Woodrow	Problems Encountered in Business Writing

Faculty Name	Department Name	Name	PhD Thesis Title
Faculty of Science	Department of Zoology	Muhammad Saeed Akhtar	Studies on Taxonomy and Zoogeography of Termites of Pakistan
<b>1973</b>			
Faculty of Arts	Department of Philosophy	Absar Ahmad	Concept of Self and Self-identity in Contemporary Philosophy
Faculty of Arts	Department of Philosophy	M. Nazir Qaiser	The Impact of Rumi upon the Religious Thought of Iqbal
Faculty of Science	Department of Physics	Muhammad Saleem	(Ph. D. degree was awarded on the basis of research publications)
Faculty of Education	Institute of Education & Research	Robert Browning Nicodemus	Innovation of Education with Special Reference to some Aspects of the Nuffield Science Teaching Project
Faculty of Science	Department of Psychology and Applied Psychology	Mirza Laeeq	Cultural Adaptation, Validation and Standardization of the Minnesota Multiphasic Personality Inventory (MMPI) for the Urban Population of Pakistan
<b>1974</b>			
Faculty of Science	Institute of Chemistry	Muhammad Ashraf	Geochemistry and Petrogenesis of Acid Minor Bodies of Mansehra and Batgram Area, Hazara Distt
Faculty of Science	Institute of Geology & Applied Geology	Muhammad Ashraf	Geochemistry and Petrogenesis of Acid Minor Bodies of Mansehra and Butgram Area, Hazara Distt
Faculty of Science	Department of Zoology	Muhammad Sarwar	Studies on the Siwalik Proboscidea
<b>1976</b>			
Faculty of Arts	Department of Philosophy	Wahid Ishrat	Dr. Khalifa Abdul Hakim Ka Imrani Falsafa Sir
Faculty of Education	Institute of Education & Research	Zulfiqar Ali Khan	A Study of the Existing Teaching Practices of Business Teaching in Government Commercial Training Institute of Pakistan and Development of an In-Service Training Program
Faculty of Education	Institute of Education & Research	Khushi Muhammad	A Study of Relevance of the Curriculum of Vocational Subjects at Secondary School Level in Pakistan to the Requirements of the Industry
Faculty of Science	Department of Geography	Farhat Gulzar	The Urban Fringe of Lahore City; a Functional Study
Faculty of Education	Institute of Education & Research	Allah Rakha Sagir	A Study of the Relationship and Need Achievement with School Achievement, Intelligence and Socio-Economic Status of Class Nine Urban Students

Faculty Name	Department Name	Name	PhD Thesis Title
Faculty of Education	Institute of Education & Research	Zulkaif Ahmad	Evaluation and Effectiveness of an Improved Method of Teaching English to 9th Grade Students
Faculty of Education	Institute of Education & Research	Ali Akbar	A Comparison of Program Instruction and Conventional Method of Teaching Algebra to Ninth Grade Students
Faculty of Education	Institute of Education & Research	Abdul Karim Abid	A Study of the Effect of Supplementary Reading Approach of Teaching English on Comprehension, Reading Speed and Interest at Tenth Grade Level
Faculty of Education	Institute of Education & Research	Muhammad Zia Arif	A Study of the Role of Education in Rural Development
Faculty of Education	Institute of Education & Research	Keith R. Cooper	A Diffusion of Curriculum Innovation - the Examples of the School Council Project History, Geography and Social Sciences 8-13.
Faculty of Education	Institute of Education & Research	Rahmat Ali Farooq	A Comparative Study of Effectiveness of Problem Solving Approach and Traditional Approach of Teaching Social Studies to Secondary School Students
Faculty of Education	Institute of Education & Research	Shahbaz Khan	A Study of the Effect of Training on Transition from Concert to Cognitive Functioning
Faculty of Science	Institute of Chemistry	Bala Samad	Studies on the Microbial Production of Amino Acids
<b>1977</b>			
Faculty of Science	Institute of Chemistry	Mumtaz Hussain	Studies on the Effect of Freeze Drying on some Common Indigenous Cooked Foods
Faculty of Medicine	Medicine	Riaz Mahmood	Induction of Renal Lesions by Using Therapeutic Agents
Faculty of Science	Institute of Chemistry	Muhammad Nazir	Production of Edible Protein from Persian Clover, Trifolium resupinatum
Faculty of Science	Institute of Chemistry	Sami Ullah	The Microbiology of Indigenous Preserved Foods
<b>1978</b>			
Faculty of Arts	Department of History	Hussain Khan	The Transition of Power from the Early Mughal to Sher Shah Suri from 932/1526 to 925/1545
Faculty of Arts	Department of Philosophy	Abdul Khaliq	Syed Ahmad Khan on Nature, Man and God The

Faculty Name	Department Name	Name	PhD Thesis Title
Faculty of Science	Institute of Chemistry	Khurshid Ahmad	Some Ecological Studies of an Experimental Oxidation Pond Under Local Conditions
Faculty of Science	Institute of Chemistry	Muhammad Yaqub Malik	Chemical Composition and Nutritive Value of Indigenous Feed Stuffs
<b>1979</b>			
Faculty of Arts	Department of Philosophy	Ghulam Murtaza	Metaphysics of Shah Wali Ullah
Faculty of Education	Institute of Education & Research	Tahir Baig	A Study of Acquisition Concepts by Elementary School Children
Faculty of Education	Institute of Education & Research	Muhammad Islam Khalid	An Investigation into Piaget's Concept of Development Moral Judgement Among Pakistani Children Grades IV, VI, VIII and X
<b>1980</b>			
Faculty of Science	Institute of Chemistry	Anwar Ahmad Siddiqui	Nutritive Value and Nitrate Content of Fruits and Vegetables of Pakistan
Faculty of Science	Institute of Chemistry	Zahida Mir	Effect of Cooking on the Nutritive Value of Foods
Faculty of Arts	Department of Fine Arts	Muhammad Khalid Mahmood	Fresco Painting During the Mughal and Sikh Periods in the Province of the Punjab, Pakistan
Faculty of Arts	Department of History	Muhammad Sarwar Abbasi	History of Freedom Movement of Kashmir -1931 to 1947
Faculty of Science	Institute of Chemistry	Irshad Ahmad	Studies on Mortar / Concrete Mix-Ratio Analysis-Methods - Development of Laboratory and Field Methods
<b>1981</b>			
Faculty of Science	Department of Zoology	Muhammad Haseeb Ashraf Siddiqui	Studies on the System and Biology of Larval Trematodes Infecting Fresh Water Snails in the Punjab, Pakistan
Faculty of Science	Department of Zoology	Muhammad Afzal	Studies on Biology of Bifiditermes beesoni (Gardner) (Isoptera: Kalotermitidae)
Faculty of Science	Institute of Chemistry	Tajamul Hussain	Comparative Biochemical Studies and Nutritional-Evaluation of Corn ( Zea mays L)
Faculty of Arts	Department of Philosophy	Nuzhat Sultana	Zen Buddhism and the Modern Predicament
<b>1982</b>			

Faculty Name	Department Name	Name	PhD Thesis Title
Faculty of Science	Institute of Chemistry	Anwar Ahmad Siddiqui	Nutritive Value and Nitrate Content of Fruits and Vegetables of Pakistan
Faculty of Science	Institute of Chemistry	Jahangir Khan Khalil	Nutritional Studies on the Peanut Proteins and Their Use in the Supplementation of Wheat and Corn Flours
Faculty of Arts	Institute of Communication Studies	Miskin Ali Hijazi	Punjab Main Urdu Akhbar Nawisi
Faculty of Science	Institute of Chemistry	Shaukat Ali	Studies on Detoxification of Brassica to get Plant Protein Concentrate to fill Protein Gap in Pakistan.
Faculty of Science	Institute of Chemistry	Abdul Qayum Mirza	Effect of Triglycerids on the Nature and Amount of Lipase Produced by Certain Fungal Species
Faculty of Science	Department of Zoology	Khalid Idrees Khan	Studies on Pathogens of Termites of Pakistan
Faculty of Science	Department of Physics	Muhammad Saleem	Investigation of the Direction of Ground Water Flow
<b>1983</b>			
Faculty of Education	Institute of Education & Research	Abdul Rasheed Arshad	Measurement of the Development of Attitude Toward Teaching Profession Among the Student Teachers in the Two Years Programs of the Institute of Education and Research, Punjab University, Lahore
Faculty of Education	Institute of Education & Research	Saeed Anwar	Effect of Training in Reversibility on Conservation Number and Quantity
Faculty of Education	Institute of Education & Research	Mushtaq ur Rehman Siddiqui	An Evaluation of the Leadership Styles Traits and Competencies of Secondary School Heads in Pakistan
Faculty of Education	Institute of Education & Research	M. Ibrahim Khalid	Effectiveness of Micro Teaching Training for Developing Teaching Skills of Prospective Teachers
Faculty of Science	Department of Botany	Farooq-e- Azam	Effect of Different Ecological Parameters on the Organic Matter Dynamics in Soil
Faculty of Education	Institute of Education & Research	Allah Ditta Butt	A Study of Pre-Service Teacher Education Program for the Elementary Teachers in the Punjab
Faculty of Education	Institute of Education & Research	Manzoor H. Arif	A Comparative Study of Conservers and Non-Conservers on Some Plagation Tasks With Respect to Intelligence, School Achievement and Socio-Economic Status

Faculty Name	Department Name	Name	PhD Thesis Title
Faculty of Education	Institute of Education & Research	M. Ibrahim Kh	A Study of the Role of Secondary School Heads in Pakistan as Perceived by Heads themselves, Supervisors and Teachers
Faculty of Science	Department of Physics	Fazal-e-Aleem	Nucleon-Nucleon Elastic Scattering at High Energies
Faculty of Education	Institute of Education & Research	Allah Bakhsh	A Study of Interrelationship of Plagietion Formal Operational Self Perception and Environmental Perception
Faculty of Science	Institute of Chemistry	Abdul Hamid	Mycotoxins in Seeds
Faculty of Science	Department of Botany	Safdar Ali Kayani	Some Ecological Studies on Soil and Vegetation of Termite Affected Areas of Pakistan
Faculty of Education	Institute of Education & Research	Irshad Ahmad Ferrukh	The Effects of Training in Interaction Analysis on the Verbal Behavior of Prospective Teachers
Faculty of Arts	Department of Philosophy	Anjum Khilji	New Exploration in the Realm of Mind
Faculty of Science	Institute of Chemistry	Naheed Kausar	Lipases from Indigenous Plant Seeds
Faculty of Science	Department of Zoology	Zahoor Salihah	The Cuticular Structures Lining the Alimentary Canal of Termites and their Phylogenetic Significance
Faculty of Education	Institute of Education & Research	☞Nizam-ud-Din	Development and Validation of Competency Based Teacher Education (CBTE) Program for Prospective Secondary School Science (Physics) Teachers in Pakistan
Faculty of Science	Department of Botany	Rass Masood Khan	Studies on the Gondwana Flora of the Salt Range,☞1983 Studies on the Gondwana Flora of the Salt Range,Pakistan
Faculty of Science	Institute of Chemistry	Rasool Bakhsh	Effect of different Carbohydrates, Triglyceride,Proteins, Vitamins and Vegetables on the Cholesterol Content in Serum

**1984**

Faculty of Science	Institute of Chemistry	Zia-ur-Rehman	Improvement in the Nutritive Value of some Cellulosic Agricultural by-Products and Wastes as Feed for Ruminants
Faculty of Medicine	Medicine	☞Fatima Mehboob	Diagnostic Evaluation of Biopsy, Scintigraphy and Sonography in Hepatobiliary Disorders Functional
Faculty of Arts	Department of Political Science	Muhammad Sarwar	Ideological Dynamism and Political Decision Making in Pakistan

Faculty Name	Department Name	Name	PhD Thesis Title
Faculty of Arts	Institute of Communication Studies	Afira Hamid Ali	Urdu Zuban-o-Adab ki Tarraqi main Sahafat ka Hisa 1822 say 1947 Tak Aik Sau Sala Sahafat ka Tahqiqi awr Tanqidi Jaizah
Faculty of Science	Institute of Chemistry	Owais Younas	Biosynthesis of Glucose Isomerase by Streptomyces Species
Faculty of Law	University Law College	Liaqat Ali Khan	Islamic Law of Torts Niazi
Faculty of Science	Institute of Chemistry	Rehana Saeed Khan	Effect of Different Substrates on Protease Production by Fungi
Faculty of Arts	Department of Philosophy	Shaukat Hassan Shah 48. Shaukat Hassan Shah	Moral Philosophy and Education
<b>1985</b>			
Faculty of Science	Institute of Chemistry	Salah ud Din	Studies on Ethanol Utilizing Locally Isolated Microorganisms
Faculty of Science	Institute of Chemistry	Azra Imtiaz	Distribution of Substitute of Benzoic Acids Between Water and Immiscible Organic Solvents
Faculty of Science	Department of Psychology and Applied Psychology	Syed Azhar Ali Rizvi	Mulsim Tradition in Psychotherapy and Modern Trends
Faculty of Arts	Department of Philosophy	Mussarat Iqbal	Ali Hajvari on the Nature of Religious Experience and Modern Psychology
<b>1986</b>			
Faculty of Arts	Department of Political Science	Syed Farooq Hasnat	The Persian Gulf 1971-78 and Analysis of the Regional Security System
Faculty of Arts	Department of Political Science	Muhammad Hamid	Political Impact of Tehrik-i-Mujahadeen in early 20th Century
Faculty of Science	Department of Botany	Saeed Ahmad	Studies on Soil Conditions and Vegetation as Factors in the Ecology of some Termites of Pakistan
Faculty of Science	Department of Botany	Tahira Firdos	In Vitro and In Vivo Digestibility of Pretreated Bagasse Pith
Faculty of Science	Department of Botany	Farkhanda Wajid	Study of Hyphomycetes from Different Habitats of Pakistan

Faculty Name	Department Name	Name	PhD Thesis Title
Faculty of Science	Department of Physics	Muhammad Iqbal Ansari	Irradiation Crop in Ni(Al) Alloys
Faculty of Arts	Institute of Communication Studies	Mehdi Hasan	The Role of the Press in the Formation of Muslim Public Opinion from 1857-1947
Faculty of Science	Department of Zoology	Anees Ahmad Ghouri	Form and Functional Evolution of Mandibles in Crustacea, Arthropoda
Faculty of Science	Department of Botany	Kishwar Sultana	Study of Hyphomycetes from Different Habitats of Pakistan
Faculty of Science	Department of Botany	Shah Jahan Baig	Biosynthesis of Xanthan Gum by Locally Isolated Xanthomonas Species
<b>1987</b>			
Faculty of Science	Department of Psychology and Applied Psychology	Ikram ul Haque	A Normative and Comparative Study of the Research with Normal and Abnormal Adults
Faculty of Science	Institute of Chemistry	Maqbool Ahmad Malik	Studies on the Antibiotics from Bacillus subtilis (various Microbiological and Biochemical aspects related to the Antibiotics Produced by Bacillus subtilis)
Faculty of Science	Institute of Chemistry	Nadeem Nawazish Malik	Simultaneous Production of Biomass and Extracellular Enzymes by Growing Filamentous Fungi on Agricultural and Industrial Wastes
Faculty of Science	Institute of Chemistry	Faiz ur Rehman	Preparation of New Radiopharmaceuticals and their Biochemical and Pharmacokinetic Studies
Faculty of Arts	Department of Political Science	Khalid Javed Makhdoom	Interaction of Ideology and Strategy in Pakistan Foreign Policy-1947-1960
Faculty of Science	Department of Botany	Nasreen Zaidi	Biosynthesis of Galactosidases from Locally Isolated Microorganisms
Faculty of Education	Institute of Education & Research	Muhammad Mirza	Identification of Factors Influencing Curriculum Implementation at Secondary Level
Faculty of Arts	Institute of Communication Studies	Abdul Rahman	Pakistan ki Aain Sazi main Akhbarat ka Kirdar (1947- 1972)
Faculty of Medicine	Medicine	Farooq Hameed	Changes Following Acute Bilateral Ureteric Obstruction in Dogs
Faculty of Science	Centre for High Energy Physics	Muhammad Ali	Analysis of Hypercharge Exchange Reactions

Faculty Name	Department Name	Name	PhD Thesis Title
Faculty of Arts	Department of Philosophy	Fazal Ahmad Shami	Zeno's Arrow Argument
Faculty of Arts	Department of Philosophy	Ghazala Irfan	Women, the Second Sex: a Philosophic Appraisal
Faculty of Arts	Institute of Communication Studies	Muhammad Shafiq	Lahore kay Urdu Akhbarat ka Siasi Kirdar (August 1947-July 1977)
<b>1988</b>			
Faculty of Science	Department of Botany	Kausar Tasnim	Cultivation of Mushrooms Using Crop Residues as Substrates
Faculty of Science	Department of Botany	Rakshanda Bilal	Associate Biological Nitrogen Fixation in Plants Growing in Saline Soils
Faculty of Arts	Department of Political Science	Syed Arshad Karim	Ideology, Leadership and Jihad as Agents of Political Movement-a Case Study of the 19th Century Bihar
Faculty of Science	Institute of Chemistry	Shahnaz Hamid	Chemistry and Application of Lipids from Microorganisms
Faculty of Science	Department of Botany	Waseem Ahmad Farooqui	Physiological, Biochemical and Microbiological Studies on the Shelf-Life Extension of Citrus Fruit
Faculty of Arts	Department of Political Science	Farhat Imrana Aslam	Constitutional Development in Pakistan-1972 to 1985
Faculty of Arts	Department of Political Science	Sarfraz Hussain Mirza	The Punjab Mulsim Students Federation 1937-47; a Study of the Formation, Growth and Participation in the Pakistan Movement
Faculty of Science	Institute of Chemistry	Abdul Hamid Khan Niazi	Improvement in the Nutritive Value of Mustard Seed Cake
Faculty of Science	Institute of Chemistry	Ali Muhammad	Cheap Indigenous Substitutes for Portland Cement
Faculty of Science	Institute of Chemistry	Shahina Zaka	Studies on Composition and Metabolism of Lipids in Seeds of Cassia Species
Faculty of Arts	Department of Philosophy	Naeem Ahmad	Iqbal's Concept of Immortality
Faculty of Arts	Department of Philosophy	Sajid Ali	Shah Ismail Shaheed ki Ma Baad -ul-Tabiyat
Faculty of Science	Centre for High Energy Physics	Kh. Haris Rashid	The Chou-Yang Model For Meson -Proton and 1988 Hyperon-Proton Elastic Scattering at High Energies
Faculty of Science	Department of Zoology	Akber Ali Cheema	Study on Inhibition of Acetylcholinesterase of Vertebrates by Organophosphours Insecticides:Acetylcholinesterase of Goat Brain

Faculty Name	Department Name	Name	PhD Thesis Title
Faculty of Science	Department of Zoology	Parveen A. Malik	Studies on the Effect of Electromagnetic Fields on Hepatic Neoplasia (Hepatoma) in Rats
Faculty of Science	Department of Zoology	Shahnaz Perveen	Nutritional and Biochemical Properties of Microbial Lipids
Faculty of Science	Institute of Chemistry	Fakhra Idrees Qureshi	Quantitative Aspects of Lewis Acidity
<b>1989</b>			
Faculty of Science	Department of Botany	Najma Yaqub Ch.	A Study of Morphophysiological Effects of Growth Regulators (IAA & GA) Individually and in Combination on the External Morphology and Internal Structure of <i>Abelmoschus esculents</i> (LIM) Moench
Faculty of Science	Centre for High Energy Physics	Iqbal Ali Azhar	Multiple Diffraction Theory for Nucleon -Nucleon Elastic Scattering at ISR and Collider Energies and Beyond
Faculty of Science	Department of Botany	Muhammad Qadeer Butt	Palynological Studies of Leguminous Plants Growing in the Punjab, Pakistan
Faculty of Pharmacy	College of Pharmacy	Dr. Azmat Rasheed	Biochemical Studies in Heroin Dependent Individuals
Faculty of Science	Institute of Chemistry	Abdul Waheed Khan	Post-Harvest Losses during Processing and Preservation of Fruits and Vegetables
Faculty of Science	Institute of Chemistry	Amanullah Tehseen	Biosynthesis of Molecular Species of Glycerolipids in Plants During Seed Maturation and Germination
<b>1990</b>			
Faculty of Science	Department of Physics	Asif Salah ud din	Recycling of Activated and Non Volatile Fission Products in Thermal and Fast Reactors
Faculty of Science	Department of Physics	Shaikh Muhammad Saleem	Nuclear Structure Studies with Fast Neutrons
Faculty of Science	Department of Physics	Muhammad Anwar	Neutron time of Flight Spectroscopy with 14th MeV Neutron Generator
Faculty of Law	University Law College	Dr. Dil Muhammad	Administrative Law in Pakistan (Development Application)
Faculty of Science	Department of Physics	Mahmud Ahmad	Fast Neutron Induced Reactions
Faculty of Education	Institute of Education & Research	Dr. Zahida Chughtai	An Investigation into the Nature and Causes of Difficulties in Learning English by the Students at the Secondary Level
Faculty of Science	Department of Zoology	Syed Shahid Ali	Morphological and Biochemical Hazards Caused by some Organochlorinated Insecticides on Blood and Liver of Rat

Faculty Name	Department Name	Name	PhD Thesis Title
Faculty of Science	Department of Zoology	Syed Ata-ur-Rehman Razvi	Effects of Aflatoxin in Poultry
Faculty of Science	Department of Zoology	Najam-un-Nisa	Studies on Autotransplantation of Entire Skeletal Muscles in Mammals
Faculty of Science	Department of Zoology	Mushtaq Ahmad Saleem	Toxicological studies on Synthetic Pyrethroids against Red Flour Beetle <i>Tribolium castaneum</i> (Herbst) (Coleoptera: Tenebreomidae)
Faculty of Science	Department of Botany	Bashir Ahmad	Eco-Physiological Studies on Some Important Weeds of Wheat
Faculty of Science	Centre of Excellence in Molecular Biology	Anjum Sohail	Methyl Modification in Prokaryotic DNA
Faculty of Arts	Department of Political Science	Syed Ahmad Hussain Asad Gilani	Jamaat-e-Islami-1941 -1947
Faculty of Science	Department of Physics	M. Ishaq Sajjad	Isotope Hydrology in Pakistan
Faculty of Science	Institute of Geology & Applied Geology	Muhammad Saleem Bajwa	Mineralogy of the Siwalik Rocks of Rawalpindi and Jhelum Areas, Punjab, Pakistan and its Correlation Potential
Faculty of Science	Department of Botany	Khalid Mahmood	Some Ecological Studies on Soil-Plant Relationships in Salt Affected Wastelands

Faculty of Science	Department of Botany	Masood Khan	Biological Control of Different Soil Borne Fungal Diseases of Potato (Solanum Tuberosum L) Raised Through Tissue Culture, By using Vesicular Arbuscular Mycorrhiza and other Antagonistic Fungi.

## 2006

Faculty of Science	Department of Botany	Muhammad Asim Sultan	Taxonomic Study of Rust Flora of Northern Areas of Pakistan.
Faculty of Science	Department of Botany	Muhammad Siddique	Development of Cotton Leaf Curl Disease (CLCUD) Resistance in Transgenic Tobacco
Faculty of Science	Department of Botany	Arshad Javaid	Prospects of EM and VAM Technology for Improved Growth, Yield and Nitrogen Fixation in Vigna Radiata (L) WILCZEK
Faculty of Science	Department of Zoology	Nadia Dar	Isolation and Characterization of Heavy Metal Resistant Yeast Strains from Industrial Effluents and their use in Environmental Clean up

Faculty Name	Department Name	Name	PhD Thesis Title
Faculty of Science	Department of Zoology	Bushra Munir	Role of Microorganisms in Remediation of Heavy Metals in the Waste Water to Tanneries
Faculty of Science	Institute of Chemistry	Muhammad Ilyas Tariq	Leaching and Degradation of Cotton Pesticides on Different Soil Series of Cotton Growing Areas of Punjab, Pakistan, in Lysimeters
Faculty of Science	Department of Zoology	Lubna Jabbar	Effect of Different Dietary Energy Levels on Some Growth and Reproductive Aspects and their Relation with age of Maturity in Growing Buffalo Heifers.
Faculty of Science	Centre of Excellence in Molecular Biology	Kausar Malik	Molecular Characterization of Bacillus Thuringines Delta-Endotoxin Receptor
Faculty of Science	Centre of Excellence in Molecular Biology	Muhammad Idrees	Sequence Variability in the 5'Non-Coding Region of Hepatitis C Virus
Faculty of Science	Centre of Excellence in Molecular Biology	Jamil Ahmad	Identification of New Gene Involved In Deafness in Pakistani Population
Faculty of Science	Centre of Excellence in Molecular Biology	Khushnooda Ramzan	Molecular Basis of Autosomal Recessive Deafness
Faculty of Science	Institute of Geology & Applied Geology	Munir-ul-Hassan Munir	Biostratigraphy and Paleocology of Uppar Cretaceous to Paleo-Geno Rocks of Hazara and Azad Kashmir
Faculty of Science	Institute of Chemistry	Suhela Rahman	Significance of Blood Trace Metals in Hypertension and Diseases Related to Hypertension in Comparison with Normotensives
Faculty of Science	Institute of Chemistry	Samina Khan	Synthesis and Evaluation of Complexes of N, N'-Dimethylbenzylamine and its Derivatives with Uranium (VI) and Thorium (IV).
Faculty of Science	Department of Botany	Aamir Ali	Large Scale Production of Sugarcane Through Micropropagation and in Vitro Selection of Mutant Resistant to Red Rot Disease in Sugarcane using Induced Mutation
Faculty of Science	Department of Botany	Humera Farooqi	Biochemical and Molecular Markers of Somaclonal Variants and Induced Mutants of Potato (Solanum Tuberosum L.)
Faculty of Science	Department of Zoology	Umar Farooq	Studies of Evolutionary Trends in Dentition of the Siwalik Tragulids.

Faculty Name	Department Name	Name	PhD Thesis Title
Faculty of Science	Department of Zoology	Ahlan Abdul Wahab Sallam	Microbiological conversion of waste fruits and vegetables into ethanol.
Faculty of Science	Centre of Excellence in Molecular Biology	Rehan Sadiq Sheikh	Genotype/Phenotype Correlation for Hereditary Hearing Impairment Loci
Faculty of Science	Centre of Excellence in Molecular Biology	Fareeha Zulifqar	Genetic and Molecular Basis of Hereditary Blindness
Faculty of Science	Department of Botany	Kalsoom Akhtar	Physiological Studies in Some Halophytic Desert Grasses of Cholistan
Faculty of Engineering & Technology	Institute of Chemical Engineering & Technology	Muhammad Ahsan Iqbal	“Sorption Studies and Exploitation of Indigenous Materials for the Removal of Pollutants from Industrial
Faculty of Islamic And Oriental Learning	Department of Arabic	Ali Akbar Anjum	Tahkik Jannat Un Naeem Fi Fadail Ul Quran Al Karim
Faculty of Islamic And Oriental Learning	Department of Arabic	Imtiaz Ahmad	Critical Study of the Book of Al-Yamini Alongwith Preparation of its Authentic Text
Faculty of Islamic And Oriental Learning	Department of Urdu	Azadar Hussain Jawaz	Urdu Literature in Europe and America
