Q №.4 Translate from English into Russian (15)

If you want to buy stamps, postcards, envelopes, to send a telegram or money order, to subscribe to newspapers or magazines, you have to go to the post-office.

At some post-offices, there is a special window where you may pay your rent, telephone, and gas and electricity bills.

Yesterday, I had to send a parcel to my friend in another city. Therefore, I went to the nearest post-office. I handed the package to the clerk at the window marked "Parcel Post". She weighs it and I paid for the stamps, which she stuck on the package

Then I went to the next window marked "Stamps". I had to queue up there. When my turn came, I bought writing paper, envelopes and a few stamps. I sat down at a desk and wrote a letter. When the letter was ready, I wrote the address on the envelope, stuck a stamp on it and dropped it into the nearest letterbox.
