

FAKHRA JABEEN

fakhra@pucit.edu.pk, fakhraikram@yahoo.com

OBJECTIVE: -

I am keen to embark a research-oriented career and that is also supportive to earn a name, respectable carrier and moreover valuable. Utilize my abilities to achieve higher goals of life and to attain maximum knowledge and skill.

ACHIEVEMENTS: -

- ✦ **First Position holder** in Masters in Computer Science.
- ✦ **Scholarship holder** throughout Masters in Computer Science.
- ✦ **Role of Honor** from Punjab University in B.Sc

ACADEMIC RECORD: -

- 📖 **MS - CS** (2010 – In progress):
University of Central Punjab, Lahore.
- 📖 **MCS** (2004):
Secured **CGPA of 3.71/4.0**
International Islamic University, Islamabad.
- 📖 **B.Sc** (2001):
Secured First Division and **571/800** marks
Mathematics A, Mathematics B, Physics
(Punjab University Lahore)
- 📖 **F.Sc** (1998):
(Pre-Engineering) Secured First Division and **801/1100** marks
(Federal Board of Education Islamabad)
- 📖 **Matric** (1996):
(Science) Secured First Division and **604/850** marks
(Federal Board of Education Islamabad)

WORK EXPERIENCE: -

- ❖ **December 2008 – Current:** Serving as **Lecturer** at Punjab University College of IT. Duties include delivering lectures and conducting labs and projects.

- ❖ **April 2005 – December 2008:** Serving as **Assistant Manager** in a Government organization. Acting as a team player, duties include application designing, development in VC++ 2005 and documentation.
- ❖ **Jan 2005 - April 2005:** Served as **Research Associate** in COMSATS Institute of Information and Technology H-8 Islamabad. Duties included research in Image Processing and taking lectures of Computer Architecture, Programming Languages and labs.
- ❖ **July 2004 - Oct 2004:** Served as **Lotus Programmer** in Prosol Technologies Evacuee Trust Complex F-5/1, Islamabad.
- ❖ **Jun 2003 - Aug 2003:** **Internee** of Web development in Informatics Complex H-8 Islamabad. Duties included web designing and development. Technologies used were ASP, VB-Script and My-SQL
- ❖ **Jun 2002 - Aug 2002:** **Internee** as developer in Elixir Technologies of Pakistan F-5/1 Islamabad. Task was to develop different modules of Graphics and RTF File Parser in VC and C#.

TECHNICAL SKILLS: -

- ☞ Teaching skills in different field of Computer Science.
- ☞ 3+ years of **development experience** in Visual C++
- ☞ Experience with **DirectX**.
- ☞ Web Engineering Skills in Java and ASP
- ☞ Basic knowledge of **.Net Framework** and **C#**.
- ☞ Application Designing.
- ☞ Good in software documentation.
- ☞ Microsoft based platform used for development
- ☞ Quality assurance tasks
- ☞ Good at Spoken and Written English and Urdu.

MCS FINAL PROJECT: -

Interactive Voice Response (a utility for Communication System)

Implemented using Microsoft VC ++ 6.0 as basic development tool, SAPI 5.0 features and Access as basic database tool. The utility offered designing Voice responses for Call centers interactively.

SOFTWARE PROJECTS COMPLETED: -

XPertz Video:

Working as team player in designing the Video Conferencing like application. Task was developing its main interface and basic programming structure of the application. Completed the documentation regarding XPertz Video. DirectX was used for Audio and Video configuration of system.

Image Viewer:

Implemented in VC++ 6.0. It loads and displays the bitmap images from a certain computer directory.

**Manipulating the Computer internal speaker frequency through timer chip
RTF Parser & Graphics:**

Developed in VC.net at its structure level.

FIELDS OF INTEREST: -

- ⊆ Horse riding and Hiking.
- ⊆ Interested in poetry and sketching.
- ⊆ Reading books of interest.

PERSONAL DETAILS: -

NAME: Fakhra Jabeen
FATHER'S NAME: Ikram ul haq
STATUS: Married
DATE OF BIRTH: July 11, 1980
