Specialised Advanced Training

- **Pakistani Educational Leadership Programme:
Leadership in the Climate of Change**
Programme organized by **Plymouth State University, USA**
One Month Training: July 2011

Participate in USAID Sponsored Study Tour at U.S.A through Pre-STEP for two weeks from June 02, 2012 to 16 June, 2012.

Main Focus of the Programme:

- Innovative techniques in educational leadership
- Initiatives in educational reforms
- Leading the best practices in educational development
- Educational Leadership: Promotion of diversity and resolution of conflicts
- Role of Educational Leaders: Development through dialogue
- Leadership in environmental education and green technologies
- Leading the capacity building programmes
- Communication skills: Achieving the excellence
- Managing the international aid in educational development

Note: This advanced training was extremely useful as it enabled me to transmit this learning and creativity to my colleagues and gradually, it will filter-down to students through their teachers.
