

# Aamir Nadeem

---

Objective : To learn and deliver contemporary knowledge in life promptly.

Position : Assistant Professor

Organization : Department of Metallurgy & Materials Engineering,  
Institute of Metallurgy & Materials Engineering , University of the Punjab,  
Lahore.

Service Track :	2001-To date	Assistant Professor (Punjab University)
	1995-2001	Lecturer (Punjab University)
	1993-1995	Marketing Partner (Premier Engineering Company)
	1990-1993	Production Manager(Northern Industries, Rawalpindi)
	1989-1990	M.Sc Engineering (Metallurgy & Materials Science)
	1988-1989	Trainee Engineer at PECO, Lahore
	1987-1988	Trainee Engineer at HFF, Taxila
	1982-1987	B.Sc Engineering (Metallurgy & Materials Science)

## Education &

Qualification:	Ph.D. Scholar	Enrolled since February 2015 with Punjab University.
	M.Sc. (Engg.)	Metallurgy & Materials Engineering, Punjab University.
	B. Sc (Engg.)	Metallurgy & Materials Engineering, Punjab University.

## Work &

Experience:	Educational	Spent so far, about two decades in teaching at the
-------------	-------------	--

Faculty of Engineering & Technology, University of the Punjab, Lahore. The subjects taught being ferrous metallurgy, fuels & furnaces, materials science ,etc.

Research

Supervised various research projects of graduating students, Now pursuing doctoral research in advanced engineering nanomaterials.

Field work

Successfully accomplished material/alloys development task for industries like, Millat Tractors, Al ghazi Fiat Tractors, Tariq Glass Industries, Ghazi Textile, Olympia group of industries etc.

Documentation

Prepared formatted documents for the Faculty of Engineering & Technology like PC-1, PEC AC-1, etc. Feasibility reports for educational and industrial projects.

Interests &  
Activities

Professional

To learn, apply and communicate the technological knowledge to students through lecturing, assignments, and discussions at diversified platforms. Up gradation of the departmental laboratories system has been of serious interest. Self-educating with the professional knowledge and products entering the market. History and current affairs acquaintance appeal a lot.

Sports

Have strong participatory interest in games like Tennis, chess, and marathon.
