Objectives

By working in a professional and cooperative environment, I want to excel my knowledge and experience in Biomedical research and achieve the goals for the betterment of human kind.

Educational Background

▶ **Ph.D.** (Jan, 2011-May, 2015)

Department of Zoology, University of the Punjab, Lahore 54590, Pakistan.

Thesis title

“Nerium oleander induced acute-phase response: A damage assessment study in *Rattus norvegicus*”

Techniques and Responsibilities: Processing of tissues for histology and optimization of different stains. Isolation of DNA/RNA/proteins for expression studies. Electrophoresis of DNA and protein, guidance to post graduate and doctorate students including supervision of laboratory work.

▶ **M.S.** (2006-2008)

Department of Zoology, University of the Punjab, Lahore 54590, Pakistan.

Thesis title

“Isolation and Characterization of Some Coal Desulfurizing Bacteria”

- 3rd Position; First Division
- 84.91% marks and 3.83/4.00 CGPA
- Secured Merit Scholarship on the basis of semester results

Techniques and Responsibilities: Isolation of microbe from soil samples, Pure Culturing and Characterization of Bacteria, guidance to graduate students including supervision of laboratory work.

▶ **B.S.** (2002-2006)

Department of Zoology, University of the Punjab, Lahore 54590, Pakistan.

Thesis title

“Canal Water Receives Organic and Bacterial Pollutants’ Load While Passing Through City, Lahore.”

- First Division
- 75.39 % marks and 3.48/4.00 CGPA
- Merit Scholarship on the basis of semester results

Techniques and Responsibilities: Isolation and Characterization *E. coli* from water samples collected from Lahore Canal. Assessment of physicochemical parameters of various water samples. Coliform

	contents of the water samples.
	<ul style="list-style-type: none"> ▶ F.Sc. (Pre-Medical) (2000-2001) Govt. College of Science, Wahdat Road, Lahore-Pakistan. • First Division • 68.63% ▶ Matriculation (Secondary School) 1999 The Radiant Way School, Samanabad, Lahore-Pakistan.
Teaching and Research Experience	
	<ul style="list-style-type: none"> ▶ Assistant Professor (On Deputation) Centre for Applied Molecular Biology (CAMB)(14-12-17 to date) University of the Punjab, Lahore-Pakistan <p>Responsibilities: Involvement in the research and supervision of the postgraduate students in their research projects and departmental activities.</p>
	<ul style="list-style-type: none"> ▶ Video Lectures Resource Person Virtual university of Pakistan <p>Responsibilities: Recorded complete course on Wildlife for M.Sc. and B.S. classes</p>
	<ul style="list-style-type: none"> ▶ Lecturer in Zoology (05.05.09 to 14-12-17) Govt. College of Science, Wahdat Road, Lahore. <p>Responsibilities: Taught courses on Molecular biology, Microbiology, Genetics and Biostatistics to M.Sc. and B.S. classes and active involvement in the research and supervision of the graduate and postgraduate students in their research projects and departmental administration.</p>
	<ul style="list-style-type: none"> ▶ Visiting Faculty Position (July 2015 to date) School of Zoology, Minhaj University, Lahore. <p>Responsibilities: Taught courses on Biological Techniques, Genetics, Laboratory & Biosafety and Advance Analytical to M.Phil. and M.Sc. classes and active involvement in developing research projects and supervision of the M.Phil. students in their research projects and departmental administration.</p>
	<ul style="list-style-type: none"> ▶ Visiting Faculty Position (Sep 2016 to April 2017) Department of Allied Health Sciences, Superior University, Lahore. <p>Responsibilities: Taught core courses on Cell Biology & Molecular Biology to Allied health Sciences students and active involvement in developing research projects</p>
	<ul style="list-style-type: none"> ▶ Lecturer in Biology Superior Group of Colleges, Lahore (17.07.07 to 01.04.09) <p>Responsibilities: Taught biology to F.Sc. students. Conducting practical work.</p>
	<ul style="list-style-type: none"> ▶ Biology teacher (GPS-16 , Selected, Recruitment Board, Lahore Garrison Education System) [27-08-2007]
Skills	
	<ul style="list-style-type: none"> • Gel Electrophoresis • cDNA synthesis

	<ul style="list-style-type: none"> • DNA extraction • Drug Testing • Hemocytometry • Microbiology slide preps • Microtomy • PCR • Quantification of nucleic acids • RNA extraction • SDS-PAGE (1D) • Tissue processing • Primer Designing • Bar-coding
Achievements and Awards	
	<ul style="list-style-type: none"> • Compiled a book on wildlife “ AN EASY APPROACH TO WILDLIFE” • Got Merit scholarships in 6th,7th and 8th semester of B.S • Got Merit scholarships in 2nd and 4th semester of M.S
Trainings/Extra courses	
	<ul style="list-style-type: none"> • One day symposium on Industrial Biotech and Biorefining “(2018) held at Centre for Applied Molecular Biology (CAMB), University of Punjab, Lahore-Pakistan. • One day workshop on “Medical Writing Made Easy: a step by step guide” (2016). Lahore-Pakistan. • One day workshop on “Use of Bioinformatics in High Throughput Sequencing, Genomics, Proteomics and Transcriptomics”(2015). NIBGE, Faisalabad-Pakistan. • Training workshop on “Techniques for Biodiversity Assessment and Aerobiological Monitoring for Ecosystem Health”(2015). University of Punjab, Lahore-Pakistan. • Training Course under “Capacity Building Programme”(2013) on the direction of Higher Education, Commission/ Higher Education Department, Govt. of the Punjab-Pakistan. • Training Course on “Office Management” at Punjab Institute of Management and Professional Development (2010). Management and Professional Development Department, Govt. of Punjab-Pakistan. • Training Course on “Professional Development”, Professional Competent Enhancement program for teachers (PCEPT) (2010). National Academy of Higher Education, Higher Education Commission-Pakistan.
Peer reviewer	
	<ul style="list-style-type: none"> • BIOLOGIA (Pakistan). • African Journal of Biotechnology (AJB).
Administrative Responsibilities	
	<ul style="list-style-type: none"> • In charge Central Research Laboratory of Zoology Department at Govt. College of Science-Lahore . • Paper setter/Internal Examiner for M.Sc. (General Microbiology, Genetics & Biostatistics), and B.S. (Bacteriology & Molecular Genetics and Biostatistics). • Appointed as member of inspection Committee to check /inspect the quality of Lab. Equipment for

	<p>new colleges in Lahore Division.</p> <ul style="list-style-type: none"> Public Information Officer (PIO) of Govt. College of Science-Lahore under Transparency act, 2013 (Oct.2014 to–Nov.2016)

Theses Supervision			
M.Phil.			
1.	Muhammad Ayyaz	2015-2017	Study of blood count and stress level in captive bred black buck and chinkara in Punjab-Pakistan.
2.	Humaira Allay Ali	2015-2017	Monosodium glutamate (MSG) induced acute phase response in <i>Mus musculus</i>
3.	Mehreen Anjum	2015-2017	Extra hepatic histological and skeleton changes induced by monosodium glutamate in mice.
4.	Hira Nazir	2016-	A study of changes in concentration of acute phase proteins and stress hormones on commercially fed broiler chicken (<i>Gallus gallus domesticus</i>).
5.	Qandiel Zahra	2016-	A study on the effect of commercial feed on meat protein contents of broiler chicken (<i>Gallus gallus domesticus</i>).
6.	Shumila	2017-	"Title not defined"
7.	Komal	2017-	"Title not defined"
8.	Sadaf	2017-	"Title not defined"
M.Sc.			
1.	Meerab	2015-17	Study of changes in IL-6 gene expression in MSG induced mice
2.	Noor Fatima	2013-15	Variations of serum proteins in Bisphenol A (BPA) treated mice.
3.	Zeeshan Sharif	2012-14	Hepatohistological study of <i>Mus musculus</i> exposed in metallurgical workshop.
4.	Rehman Javaid	2012-14	Histological reflection of multi-organ damage in albino mice during exposure in metallurgical workshop.
5.	Rahat Raza	2012-14	Lactate dehydrogenase: A diagnostic probe for diabetic patients.
6.	Muhammad Usman	2011-13	A rapid and cost effective method of protein isolation from liver of albino mice.
7.	Shaista kanwal	2011-13	Time course study of respiratory incapacitation on hemogram of albino mice inhabited at metallurgical workshop.
8.	Babar khawar	2010-12	Hematological, serological and histopathological changes induced by single intraperitoneal dose of thioacetamide in albino rats (<i>Rattus norvegicus</i>).
