- Dr. Yaseer A.Durrani participated in symposium entitled “3<sup>rd</sup> Symposium on Engineering Sciences” organized by faculty of Engineering and Technology University of the Punjab, Lahore, on March 10, 2009 in Lahore, Pakistan and presented a paper on “Efficient Power Optimization Technique for Array Multipliers”.
- Dr. Yaseer participated in symposium entitled “3<sup>rd</sup> Symposium on Engineering Sciences” organized by faculty of Engineering and Technology University of the Punjab, Lahore, on March 10, 2009 in Lahore, Pakistan and presented a paper on “Low Power Dram Cell”
- Mr. Murad Habib participated in symposium entitled “3<sup>rd</sup> Symposium on Engineering Sciences” organized by faculty of Engineering and Technology University of the Punjab, Lahore, on March 10, 2009 in Lahore, Pakistan and presented a paper on “ANP Applied to Electronics Engineering Project Selection”

## **FACULTY OF LAW**

### **Punjab University College of Law:**

- College student participated in 2<sup>nd</sup> GNLU Int. Law Moot Competition 2010 from 28<sup>th</sup> January 2010 to 12<sup>th</sup> February 2010 in **INDIA**.

## **FACULTY OF LIFE SCIENCES**

### **Department of Botany**

- **Prof. Dr. Firdaus-e-Bareen** attended 2<sup>nd</sup> International Seminar on Medicinal Plants: Isolation and Applications (ISMP 2010) held in January 14-16, 2010 at Lahore College for Women University, Lahore and presented three oral presentations titled “Hydrophytes and their Heavy Metal Status in Tannery Effluents and Associated Contaminated Drains” and “Plant Biodiversity and its associated fungal flora in soil polluted with tannery wastes” and “Chemically assisted phytoextraction of toxic metals from tannery effluent contaminated soil using some cultivated plants associated rhizosphere fungi.”

- **Dr. Humera Afrasiab** attended Second International Seminar on Medicinal Plants. ISMP 2010, at Lahore College for Women University, Lahore, from 14-16, January, 2010.
- **Ms. Farkhanda Jabeen** attended workshop on “Development of sustainable and Collaborative Research Net Work”. 13-14 December, 2010.
- **Ms. Ambreen Ahmed** (i) attended Seminar Genetic of Heartwood formation in Black Walnut (*Juglans nigra*) by Keith Woeste” on 14<sup>th</sup> Oct., 09 at Purdue University, in USA. (ii) attended Seminar “Blue light sensing in plants. All you need is a little LOV” by John Christie, University of Glasgow, Scotland, UK on 15<sup>th</sup> Oct., 09 at the Purdue University, USA. (iii) attended Seminar “RNAi reveals general auxin transport related functions of ABCB Transporters in *Arabidopsis thaliana*” by Haibing Yang, USA on 11<sup>th</sup> Nov., 2009 at Prudue University, USA. (iv) Participated in Workshop on Development of Sustainable and Collaborative Research Net works. Organized by Lahore College for Women University, Lahore. 13-14, Dec, 2010.

#### **Department of Microbiology and Molecular Genetics:**

- **Dr. Shahida Hasnain** (i) Presented paper “Antimicrobial activity exhibiting Bacillus: Screening for the antibiotics and associated genetic studies” in III International Conference on Environmental, Industrial and Applied Microbiology (BioMicroWorld2009), Lisbon, Portugal, 2-4 December, 2009. (ii) Gave seminar on “Bioremediation of Chromium and Arsenic from Industrial Wastewater” on December 9, 2009 in Department of Botany and Microbiology, University of Oklahoma, Norman, USA. (iii) Presented paper “Antimicrobial activity exhibiting Bacteria from Pakistan” in II International Conference on Drug Discovery, Dubai 2-4 February 2010. Also chaired one session. (iv) organized one day workshop on “Pre Conference workshop on Molecular Haematology, 9<sup>th</sup> February, 2010. Organized by Department of Microbiology and Molecular Genetics in collaboration with Children Hospital, Lahore at Department of Microbiology and Molecular Genetics, University of the Punjab, Lahore. (v) Organized series of seminars on Hepatitis (C, B, A, E) in the Department, Feb- March 2010. (vi) was Invited speaker in Biotechnology Lahore Cluster meeting held in FC College (chartered university) on March 15, 2010. Presented “Research Work at Department of Microbiology & Molecular Genetics”. (vii) acted as Resource person in the Second Academic Retreat for HEC approved Ph.D supervisors, held at COMSATS Institute of Information Technology, Abbottabad on June 3-5, 2010, and given lecture on Effective Ph.D Supervision. (viii) acted as Chairman Organizing Committee of the symposium on “Current Agro Biotechnology and Transgenic Crops” held in Pearl Continental Hotel, Lahore on June 21, 2010, organized by Department of Microbiology & Molecular Genetics” and gave Lecture on Genetic Road Map to Crop Improvement. (ix) Participated in the Panel Discussion on “Semester System” in “HRDC New Faculty Orientation Program” organized by Institute of Administrative Sciences, University of the Punjab, Lahore on July 5-8, 2010.
- **Dr. Anjum Nasim Sabri** (i) participated in 5<sup>th</sup> International Symposium on Biotechnology (ISB-2009) 4<sup>th</sup> to 7<sup>th</sup> Oct, 2009, Institute of Biotechnology and Genetic Engineering, University of Sindh, Jamshoro, Pakistan. Presented poster entitled “Effect of neem (*Azadirachta indica*) on cell surface

adhesion and biofilm formation of *Pseudomonas aeruginosa*” and Ph.D student Noor-ul- Saba was awarded 3<sup>rd</sup> prize in poster presentation. (ii) presented one oral paper “Effect of different synthetic and naturally occurring biocides on bacteria isolated from dental unit water: their biofilm forming ability” and one poster paper, “Effect of chromium on biofilm formation : bacterial biofilms in association with cyanobacterial strain” in III International Conference on Environmental, Industrial and Applied Microbiology (BioMicroWorld2009), Lisbon, Portugal, 2-4 December, 2009. (iii) acted as a Resource person in workshop organized by the Science Education (Punjab) in collaboration with Intel-Corporation Pvt. Ltd at Science Education Centre. Dec. 9, 2009 and delivered lecture on “Mentoring student research:devising methodology”. (iv) organized, a series of seminars on “Hepatitis,C- The virus, diagnosis, clinical features” by Dr Mudassir Sibtain Sheikh, National Hospital, Lahore Organized by Department of Microbiology and Molecular Genetics, University of the Punjab, Lahore. (v) Convener, in one day workshop on “Pre Conference workshop on Molecular Haematology, 9<sup>th</sup> February, 2010.Organized by Department of Microbiology and Molecular Genetics in collaboration with Children Hospital, Lahore at Department of Microbiology and Molecular Genetics, University of the Punjab, Lahore. (vi) Convener, in one day symposium “Current Agrobiotechnology and Transgenic Plants”, 21 June, 2010. Organized by Department of Microbiology and Molecular Genetics in collaboration with Monsanto, at PC Hotel, Lahore.

- **Ms. Zakia Latif** (i) worked as member of organizing committee of the pre-conference workshop on “Molecular Hematology”, 09<sup>th</sup> February 2010, organized by Department of Microbiology & Molecular Genetics, University of the Punjab Lahore. (ii) attended symposium on “Current Agro Biotechnology and Transgenic Plants” organized by department of Microbiology and Molecular Genetics, University of the Punjab, June 21, 2010.
- **Dr. Sikander Sultan** (i) attended seminar on “Hepatitis C virus” organized by Department of Microbiology and Molecular Genetics, University of the Punjab, January 09, 2010, Lahore. (ii) acted as Member Organizing Committee, Pre-Conference Workshop on Molecular Hematology, February 9, 2010, organized by Department of Microbiology and Molecular Genetics, University of the Punjab, Lahore. (iii) attended Seminar on “Operational Handling and Troubleshooting of Fermenters” by Dr. Judith Law, Bioengineering, Switzerland, organized by Department of Microbiology and Molecular Genetics, University of the Punjab, Lahore, February 11, 2010. (iv) attended seminar on “Hepatitis B virus” organized by Department of Microbiology and Molecular Genetics, University of the Punjab, Lahore, March 06, 2010. (v) attended seminar on “Hepatitis A & E virus” organized by Department of Microbiology and Molecular Genetics, University of the Punjab, March 13, 2010, Lahore. (vi) Participated in “Lahore Biotech Cluster” at Armacost Science Building, Forman Christian College, Lahore, March 15, 2010. (vii) Dr. Sikander Sultan attended a seminar on “Farm Dynamics Pakistan: Working with Soil Moisture Sense” organized by Microbiology & Molecular Genetics, University of the

Punjab, Lahore on April 29, 2010. (viii) participated as Member Organizing Committee, Symposium on "Current Agro Biotechnology And Transgenic Plants", June 21, 2010, organized by Department of Microbiology and Molecular Genetics, University of the Punjab, Lahore in collaboration with Monsanto, Pakistan at PC Hotel, Lahore and also presented four Posters.

- **Dr. Muhammad Faisal** (i) attended training workshop on "International Health Links Funding Scheme" organized by the British Council Lahore, 29<sup>th</sup> October, 2009 at Crown Plaza Hotel, Lahore. (ii) Participated in 3<sup>rd</sup> international conference on "Environmental, Industrial and Applied Microbiology, BioMicroWorld 2009" held from December 2 to 4, 2009 in Lisbon, Portugal. (iii) Organized and participated in symposium on "Current Agro Biotechnology and Transgenic Plants" organized by department of Microbiology and Molecular Genetics, University of the Punjab, June 21, 2010. (iii) attended three day training workshop on "Writing Project Proposals for Competitive System (CGS)" organized by Punjab Agriculture Research Board, Lahore on 9<sup>th</sup> to 11<sup>th</sup> November 2009 in Lahore. (iv) Attended one day seminar on "Lahore Biotechnology Cluster" organized by Forman Christian College University, Lahore on March 15, 2010. (v) Dr. Muhammad Faisal participated in the "Chemical Safety and Security Officer Training" organized by Sandia National Laboratories, U.S Department of Energy in Bangkok, Thailand on 29<sup>th</sup> March to 2<sup>nd</sup> April, 2010. (vi) attended a seminar on "Farm Dynamics Pakistan: Working with Soil Moisture Sense" organized by Microbiology & Molecular Genetics, University of the Punjab, Lahore on April 29, 2010. (vi) attended International symposium on "Basic Techniques in Research, Dissertation and Paper Writing" on 27<sup>th</sup> -29<sup>th</sup> of July, 2010 organized by Institute of Research Promotion (IRP) and Hazara University at Hazara University, Mansehra.
- **Dr. Nazia Jamil** (i) attended and presented a poster entitled "Coproducts of biopolymers consisting of Medium chain length 3-hydroxyalkanoic acid and Exopolysaccharide by *Pseudomonas* CMG607w" in International conference on Recent Advances in Fermentation Technology organized by Society of Industrial Microbiology in San Diego, California, USA. (November 8 – 11, 2009). (ii) worked as convener of the pre-conference workshop on Molecular hematology, 09<sup>th</sup> February 2010, organized by Department of Microbiology & Molecular Genetics, University of the Punjab Lahore. (iii) attended seminar on "Hepatitis C virus" organized by Department of Microbiology and Molecular Genetics, University of the Punjab, January 09, 2010, Lahore. (iv) attended seminar on "Technical handling of fermenters" organized by Department of Microbiology and Molecular Genetics, University of the Punjab, February 11, 2010, Lahore. (v) attended seminar on "Hepatitis B virus" organized by Department of Microbiology and Molecular Genetics, University of the Punjab, March 06, 2010, Lahore. (vi) attended seminar on "Hepatitis A & E virus" organized by Department of Microbiology and Molecular Genetics, University of the Punjab, March 13, 2010, Lahore. (vii) worked as organizing

secretary in symposium on “Current Agro Biotechnology and Transgenic Plants” organized by department of Microbiology and Molecular Genetics, University of the Punjab, June 21, 2010.

- **Dr. Abdul Rehman** (i) participated in conference entitled “30<sup>th</sup> Pakistan Congress of Zoology” organized by Department of Zoology, University of Agriculture, Faisalabad in collaboration with Zoological Society of Pakistan, from March 2 to 4, 2010 in Faisalabad, Punjab, Pakistan and presented a paper on “Decolourization of azo dye Synozol Red HF6-BN by fungi”. (ii) attended the pre-conference workshop on Molecular hematology, 09<sup>th</sup> February 2010, organized by Department of Microbiology & Molecular Genetics, University of the Punjab Lahore. (iii) attended seminar on “Hepatitis C virus” organized by Department of Microbiology and Molecular Genetics, University of the Punjab, January 09, 2010, Lahore. (iii) attended seminar on “Hepatitis B virus” organized by Department of Microbiology and Molecular Genetics, University of the Punjab, March 06, 2010, Lahore. (iv) attended seminar on “Hepatitis A & E virus” organized by Department of Microbiology and Molecular Genetics, University of the Punjab, March 13, 2010, Lahore. (v) attended symposium on “Current Agro Biotechnology and Transgenic Plants” organized by department of Microbiology and Molecular Genetics, University of the Punjab, June 21, 2010.
- **Ms. Rida Batool** (i) presented poster entitled “Effect of bacterial Inoculations on growth of *Triticum aestivum* seedlings” in International Thematic workshop. 20-22 October, 2009, organized by COMSATS, Islamabad. (ii) attended workshop on “Exploring the Jigsaw of Assessment” organized by Higher Education Commission of Pakistan, January 04-05, 2010 at HEC regional centre, Lahore. (iii) attended workshop on “Gender mainstreaming in the project cycle” organized by Institute of Administrative Sciences, University of the Punjab, in collaboration with Asian development Bank at Institute of Administrative Sciences, January 07-09, 2010, Lahore. (iv) attended seminar on “Hepatitis C virus” organized by Department of Microbiology and Molecular Genetics, University of the Punjab, January 09, 2010, Lahore. (v) worked as member of organizing committee of the pre-conference workshop on Molecular Hematology, 09<sup>th</sup> February 2010, organized by Department of Microbiology & Molecular Genetics, University of the Punjab Lahore. (vi) attended seminar on “Technical handling of fermenters” organized by Department of Microbiology and Molecular Genetics, University of the Punjab, February 11, 2010, Lahore. (vii) attended seminar on “Hepatitis B virus” organized by Department of Microbiology and Molecular Genetics, University of the Punjab, March 06, 2010, Lahore. (viii) attended seminar on “Hepatitis A & E virus” organized by Department of Microbiology and Molecular Genetics, University of the Punjab, March 13, 2010, Lahore.
- **Ms Samreen Riaz** (i) attended International Scottish Scientific Symposium on diabetes and research into practice at Edinburgh conference centre Heriot Watt University Scotland. 22<sup>nd</sup> March 2010. (ii) attended International Workshop on Diabetes 2010 and beyond: Knowledge into practice at Edinburgh Heriot Watt University, Scotland. 23<sup>rd</sup> March 2010. (iii) attended 4th International

Conference on Biomarkers in Chronic disease held at Al-Khozama hotel, Riyadh, Saudi Arabia organized by King Saud University, KSA on May, 4<sup>th</sup> -6<sup>th</sup>, 2010. (iv) attended Symposium of Institute of Structural and Molecular Biology organized by ISMB and Department of Biological Sciences, School of Science, Birkbeck University of London held on 17<sup>th</sup> and 18<sup>th</sup> June 2010 at Bioscience Division, ISMB, UCL, London. UK. (v) attended Symposium on Hepcidin; London Iron Metabolism in Diabetes. Organized by Kings College London held on 23<sup>rd</sup> June 2010 at Franklin Wilkins Building, Kings College London.UK. (v) attended International World Congress of Engineering (WCE 2010) organized by society of IAENG at Imperial College London.UK from 30<sup>th</sup> June to 2<sup>nd</sup> July, 2010. (vi) attended International Conference of National CVD Prevention Meeting, Putting Prevention First-The Professional Challenges organized by Cardiovascular Society at Imperial College London on 1<sup>st</sup> July to 2<sup>nd</sup> July, 2010.

- **Ms. Saira Malik** (i) attended 19<sup>th</sup> Annual Meeting of Medical Research Society of Pakistan October 13, 2009, organized by Shaukat Khanum Cancer Hospital, Lahore. (ii) attended 12<sup>th</sup> Asia-Pacific Regional Conference of Alzheimer's Disease International, November 7-10, 2009. (iii) attended International conference on "Role of Stem cell Technology in Animal Sciences", December 4-5, 2009. (iv) attended C.D. Basic Nuclear, Biological, and Chemical Warfare course no. NBC-46, December 14-19, 2009. (v) Ms. Saira Malik attended seminar on "Hepatitis C virus" organized by Department of Microbiology and Molecular Genetics, University of the Punjab, January 09, 2010, Lahore. (vi) worked as member of organizing committee of the pre-conference workshop on Molecular hematology, 09<sup>th</sup> February 2010, organized by Department of Microbiology & Molecular Genetics, University of the Punjab Lahore. (vi) attended seminar on "Hepatitis B virus" organized by Department of Microbiology and Molecular Genetics, University of the Punjab, March 06, 2010, Lahore. (v) attended seminar on "Hepatitis A & E virus" organized by Department of Microbiology and Molecular Genetics, University of the Punjab, March 13, 2010, Lahore. (vi) attended symposium on "Current Agro Biotechnology and Transgenic Plants" organized by department of Microbiology and Molecular Genetics, University of the Punjab, June 21, 2010.
- **Ms. Nageen Hussain** (i) attended Conference on "Stem Cell Transplantation" organized by Veterinary University, December 28, 2009. (ii) attended seminar on "Hepatitis C virus" organized by Department of Microbiology and Molecular Genetics, University of the Punjab, January 09, 2010, Lahore. (ii) attended the pre-conference workshop on "Molecular hematology", 09<sup>th</sup> February 2010, organized by Department of Microbiology and Molecular Genetics, University of the Punjab Lahore. (iii) attended seminar on "Technical Handling of Fermenters" organized by Department of Microbiology and Molecular Genetics, University of the Punjab, February 11, 2010, Lahore. (iv) attended seminar on "Hepatitis B virus" organized by Department of Microbiology and Molecular Genetics, University of the Punjab, March 06, 2010, Lahore. (v) attended seminar on "Hepatitis A & E

virus” organized by Department of Microbiology and Molecular Genetics, University of the Punjab, March 13, 2010, Lahore. (vi) attended symposium on “Current Agro Biotechnology and Transgenic Plants” organized by department of Microbiology and Molecular Genetics, University of the Punjab, June 21, 2010. (vii) attended 14<sup>th</sup> international congress of immunology Workshop on “Genetics and Autoimmunity”, Kobe-Japan, August 22-27, 2010.

- **Ms. Saba Riaz** (i) attended 19<sup>th</sup> Annual Meeting of Medical Research Society of Pakistan October 13, 2009, organized by Shaukat Khanum Cancer Hospital, Lahore. (ii) attended symposium on “Current Agro Biotechnology and Transgenic Plants” organized by department of Microbiology and Molecular Genetics, University of the Punjab, June 21, 2010. (iii) attended training workshop on “International Health Links Funding Scheme” organized by the British Council Lahore, 29<sup>th</sup> October, 2009 at Crown Plaza Hotel, Lahore. (iv) attended a seminar on “Obtaining the structure of intrinsically disorder proteins”, organized by department of Biochemistry and Molecular Biology, February 5, 2010, Nottingham University, UK. (v) attended a seminar on “Putting the Q in the proteomics: strategies for quantitative proteomics”, organized by department of Biochemistry and Molecular Biology, February 12, 2010, Nottingham University, UK. (vi) attended a seminar on “Evolution and survival of promiscuous plasmids”, organized by department of Biochemistry and Molecular Biology, February 19, 2010, Nottingham University, UK. (vii) attended a seminar on “Plasma Medicine: Health care opportunities and scientific challenges”, organized by department of Biochemistry and Molecular Biology, February 26, 2010, Nottingham University, UK. (viii) attended a seminar on “Connecting proteomic with transcriptomics by miRNA and microarray”, organized by department of Biochemistry and Molecular Biology, March 5, 2010, Nottingham University, UK. (ix) attended a seminar on “20 million data point can not be wrong. Using milk recording data to make better decision on cow health”, organized by department of Biochemistry and Molecular Biology, March 10, 2010, Nottingham University, UK. (x) attended a seminar on “Neisseria meningitides: Thinking about metabolism to understand colonization and disease”, organized by department of Biochemistry and Molecular Biology, March 12, 2010, Nottingham University, UK. (xi) attended workshop on “Grant writing course”, organized by department of Biochemistry and Molecular Biology, March 18, 2010, Nottingham University, UK. (xii) attended workshop on “GE Health care, Basic chromatographic skills course”, organized by department of Biochemistry and Molecular Biology, March 22, 2010, Nottingham University, UK.
- **Dr Imran Sajid** (i) participated in 3<sup>rd</sup> international conference entitled “Environmental, Industrial and Applied Microbiology, BioMicro World 2009” held from December 2 to 4, 2009 in Lisbon, Portugal. (ii) participated in 13<sup>th</sup> Master trainers Faculty Professional Development Program (13<sup>th</sup> MT-FPDP), organized by Learning Innovation Division, Higher Education Commission of Pakistan (LID-HEC), from April 14<sup>th</sup> to June 9<sup>th</sup> 2010, Islamabad, Pakistan.

- **Dr Basharat Ali** (i) participated in 3<sup>rd</sup> international conference on “Environmental, Industrial and Applied Microbiology, BioMicro World 2009” and presented research work entitled “Indole-3-acetic acid production by plant associated bacteria: potential to alter endogenous IAA content and growth of *Triticum aestivum* L.” held from December 2 to 4, 2009 in Lisbon, Portugal. (ii) organized and participated in the pre-conference workshop on Molecular Hematology, 09<sup>th</sup> February 2010, organized by Department of Microbiology & Molecular Genetics, University of the Punjab Lahore. (iii) participated in “2<sup>nd</sup> Academic Retreat for HEC Approved Ph.D Supervisors” held at COMSATS Institute of Information Technology, Abbottabad, June 3-5, 2010. (iv) presented research work titled “Bacterial auxin: Biofertilization and phytostimulation of agronomically important crops” in symposium on “Current Agro Biotechnology and Transgenic Plants” organized by Department of Microbiology and Molecular Genetics, University of the Punjab, June 21, 2010. (v) participated in “HRDC New Faculty Orientation Program” organized by Institute of Administrative Sciences, University of the Punjab, Lahore, July 5-8, 2010.
- **Mr. Nauman Javed** (i) participated in 12<sup>th</sup> National Haematology Conference (HAEMCON 2010) on “WBC Morphology” 9<sup>th</sup>- 16<sup>th</sup> February, 2010 at Children Hospital and Institute of Child Health, Lahore, Pakistan. (ii) participated in 7<sup>th</sup> Annual Conference on Infectious diseases “Discrepancies in the Diagnosis of methicillin resistant *Staphylococcus aureus* among different hospitals in Lahore, Pakistan”, 17<sup>th</sup>-20<sup>th</sup> February, 2010, Karachi, Pakistan. (iii) participated in 13<sup>th</sup> Master trainers faculty professional development program (13<sup>th</sup> MT-FPDP), organized by Learning Innovation Division, Higher Education Commission of Pakistan (LID-HEC), from April 14<sup>th</sup> to June 9<sup>th</sup> 2010, Islamabad, Pakistan. (iv) participated in 14<sup>th</sup> International Congress of Immunology and presented research work on “*In vitro* phagocytosis of methicillin resistant and methicillin sensitive *Staphylococcus aureus* by human polymorphonuclear leucocytes”, 22<sup>nd</sup>-27<sup>th</sup> August, 2010, Kobe, Japan.

**Department of Sports Sciences:**

- Mr. Muhammad Tahir Nazeer Lecturer attended the One Week Sports Administration course organized by International Olympic Committee.

**Department of Zoology:**

- **Prof. Dr. Muhammad Akhtar** Attended 30<sup>th</sup> Pakistan Congress of Zoology held at University of Agriculture Faisalabad March 2-4, 2010.
- **Prof. Dr. Tanveer Akhtar** (i) A paper was presented titled “Advances in Cancer Research: From the Laboratory to the Clinic. The AACR 2<sup>nd</sup> Annual Meeting, March 7-10, 2010. King Hussein Bin Talal Convention Center, Dead Sea, Jordan (ii) A paper was presented titled “Presence of BCR-ABL Mutations in CD34+CD38- Stem Cells of Newly Diagnosed Chronic Phase Untreated CML Patients and Their Correlation with Imatinib Resistance: Implications of Cancer Pharmacogenomics and Pre-Therapeutic Genetic Testing in Personalized Treatment of BCR-ABL+ Leukemia.” In 2010 Annual Meeting of the American Society of Hematology in Orlando, Florida, at Orange County Convention Center, Hall A3/A4, Florida, USA during 4 to 7<sup>th</sup> December 2010.

- **Prof. Dr. Javed Iqbal Qazi** (i) Attended a workshop on “Working with proteins in post-genomic era”. January 06-07, 2010 organized by School of Biological Sciences, University of the Punjab, Lahore. (ii) Acted as Chairman in 30<sup>th</sup> Pakistan Congress of Zoology held at University of Agriculture Faisalabad March 2-4, 2010.
- **Dr. M. Shafiq Ahmad** (i) Mapping distribution, potential habitat and breeding ranges of Himalayan musk deer (*Moschus chrysogaster*) in Machiara national park, Azad Jammu and Kashmir, Pakistan. Paper presented at V World Conference on Mountain Ungulates, Granada, Spain, 10-14 November 2009. (ii) Habitat Evaluation of Smooth-coated Otter (*Lutrogale Perspicillata*) in Indus Plains of Pakistan using Remote Sensing and GIS. ISPRS Technical Commission VIII Symposium, 9 – 12 **August 2010**, Kyoto, Japan. (iii) Gender Mainstreaming-Concept and Implementation organized by National Centre for Rural Development, Ministry of Local Government and Rural Development, Islamabad, December 20-24, 2010.
- **Dr. Najma Shaheen** (i) A paper was presented titled “Identification of bacterial isolates from contact lenses/lens cases and antimicrobial potential of some vegetable oils against selected resistant strains.” In 30<sup>th</sup> Pakistan Congress of Zoology (International) at UAF, Faisalabad during 2 to 4 March 2010. (ii) A paper was presented titled “Identification and antibiotic resistance profile of bacterial isolates from cases of sore throat in children.” In 30<sup>th</sup> Pakistan Congress of Zoology (International) at UAF, Faisalabad during 2 to 4 March 2010. (iii) Workshop attended on Molecular Hematology held at Department of Microbiology and Molecular Genetics, University of the Punjab, Lahore on February 9, 2010.
- **Dr. Nabila Roohi** (i) 30<sup>th</sup> Pakistan Congress of Zoology (International) held from March 02-04, 2010 at University of Agriculture, Faisalabad under the auspices of Zoological Society of Pakistan and presented a paper entitled, “Association of electrophoretically resolved low molecular weight protein fractions with senile dementia in elderly people”. (ii) 30<sup>th</sup> Pakistan Congress of Zoology (International) held from March 02-04, 2010 at University of Agriculture, Faisalabad under the auspices of Zoological Society of Pakistan and presented a paper entitled, “Serum adiponectin responses in pregnant women during different phases of pregnancy and post delivery”. (iii) 30<sup>th</sup> Pakistan Congress of Zoology (International) held from March 02-04, 2010 at University of Agriculture, Faisalabad under the auspices of Zoological Society of Pakistan and presented a poster entitled, “Quantitative profiling of serum protein fractions in young obese human” (*obtained 2<sup>nd</sup> position* in poster presentation competition). (iv) 30<sup>th</sup> Pakistan Congress of Zoology (International) held from March 02-04, 2010 at University of Agriculture, Faisalabad under the auspices of Zoological Society of Pakistan and presented a poster entitled, “Prognostic significance of serum protein profile in early diagnosis of thyroid dysfunction in human population”. (v) 30<sup>th</sup> Pakistan Congress of Zoology (International) held from March 02-04, 2010 at University of Agriculture, Faisalabad under the auspices of Zoological

Society of Pakistan and presented a poster entitled, “Serum resistin levels in pregnant and post delivered women”.

- **Dr. Nasreen Muzaffar** (i) Department of Zoology organized Honeybee Farming and Management Training Workshop under the supervision of Dr. Nasreen Muzaffar from February 22-26, 2010.
- **Mr. Khizar Samiullah** (ii) Attended 30<sup>th</sup> Pakistan Congress of Zoology held at University of Agriculture Faisalabad March 2-4, 2010.

#### **Centre for Clinical Psychology:**

- **Dr. Aisha Sitwat & Dr. Saima Dawood** attended Psychological Issues and management of Disaster Victims. 2<sup>nd</sup> International Disaster Management Conference (IDMS-2010) on “Good Governance in Disaster Risk Reduction and Climate Change Adaption” held on 19<sup>th</sup> to 21<sup>st</sup> October, 2010 at Bara Gali.
- **Ms. Mujeeba Ashraf** “Non Pharmaceutical long term treatment of the patients of the dementia especially with Alzheimer Disease”. 12<sup>th</sup> Asia-Pacific Regional conference of Alzheimer’s disease International, Lahore, from 7<sup>th</sup> to 10<sup>th</sup> November, 2009. (ii) Attended 2<sup>nd</sup> International Disaster Management Conference (IDMS-2010) on “Good Governance in Disaster Risk Reduction and Climate Change Adaption” held on 19<sup>th</sup> to 21<sup>st</sup> October, 2010 at Bara Gali.
- **Dr. Aisha Sitwat** (i) participated as a panelist in a panel discussion on “Coping with Violence in Society”, arranged by GCU in 1<sup>st</sup> International conference on “Forensic Psychology: Issues and Interventions” from 31<sup>st</sup> March to 3<sup>rd</sup> April 2010.
- Faculty of the Centre attended 12<sup>th</sup> Asia-Pacific Regional conference of Alzheimer’s disease International, Lahore, from 7<sup>th</sup> to 10<sup>th</sup> November, 2009.

#### **National Centre of Excellence in Molecular Biology:**

- Dr. Bushra Rashid presented a Poster “Enhanced drought tolerance in *Gossypium hirsutum*”. at ICGI 2010 Research Conference held at CSIRO, Canberra Australia 20-23 September 2010
- Dr. Bushra Rashid presented paper “Enhanced drought tolerance in *Gossypium hirsutum* with genes from *Gossypium arboreum*”. at the symposium, “Current Agro Biotechnology and Transgenic Plants”, organized by Department of Microbiology & Molecular Genetics, University of the Punjab, Lahore-Pakistan, In Collaboration with Monsanto, Pakistan at Pearl Continental Hotel Lahore, June, 21<sup>st</sup> 2010.

#### **Institute of Biochemistry & Biotechnology:**

- **Dr. Saima Sadaf** participated in organizing symposium “ Working with proteinis in post-genomic era” held at SBS, University of the Punjab, Lahore during Junary 06-07, 2010.

#### **Institute of Mycology & Plant Pathology:**

- **Nasim G. and H. M. Waqas** (i) Inventory of some medicinal and other mushrooms of Ayubia National Park. 2<sup>nd</sup> International Seminar on Medicinal Plants (ISMP-2010). January 14-16 2010, Jointly Organized by Department of Chemistry, Lahore College for Women University and British Council,

Lahore, Pakistan. (ii) Are medicinally important Resources of our mountainous regions threatened? Throwing light on dark side of the story. At Functional significance of mountain biodiversity, GMBA-DIVERSITAS Conference, Chandolin, Switzerland from 26-30 July 2010. (iii) Mycographical analysis of Climate Change and conservation attempts of some threatened macromycetes of Ayubia National park. At Functional significance of mountain biodiversity, GMBA-DIVERSITAS Conference, Chandolin, Switzerland from 26-30 July 2010. (iv) Lecture on environment at closing ceremony of a painting exhibition at Alhamra Arts Council, Lahore. (v) Why Conserving Biodiversity? presented at a Seminar on World's Environment day, 4<sup>th</sup> June 2010, organized by EPD, Ecogreen, PU Law college, Asia Pacific associates at Dr. Pervaiz Hassan centre for Environmental Law. (viii) *Parthenium hysterophorus*: an emerging threat for *Curcuma longa* fields. 22<sup>nd</sup> Asia-Pacific weed science conference, GC university Lahore, Pakistan, 8-12 March, 2010. (ix) Distribution of weeds of

groundnut (*Arachis hypogaea* L.) fields in potohar region of Punjab , Pakistan. 22nd Asia-Pacific weed science conference, GC university Lahore, Pakistan, 8-12 March, 2010.

- **Dr. Tehmina Anjum**, Assistant Professor (i) attended the workshop on “Pulse and Legume Research” organized by The Plant BioScience Cluster, on Friday 5th February 2010, ACPFG Seminar Room, Waite Campus, University of the Adelaide, Adelaide, Australia. (ii) attended a Training workshop on “Use of Autoclave” on 7<sup>th</sup> December 2010, organized by the School of Agriculture., Food & Wine in University of Adelaide, Adelaide, Australia.
- **Dr. Arshad Javaid**, Exploiting allelopathic potential of *Datura metel* for management of parthenium weed. In: First International Conference of Asian Allelopathy Society, December 18-22, 2009, Guangzhou, China. **(Oral)** (ii) Shafique S, Shafique S, Riaz T (2009). Management of *Parthenium hysterophorus* by extracts and residues of rice. In: First International Conference of Asian Allelopathy Society, December 18-22, 2009, Guangzhou, China. **(Poster)** (iii) **Javaid A** (2010). Herbicidal activity of Solanaceous medicinal plant *Withania somnifera*. In: 2<sup>nd</sup> International Seminar on Medicinal Plants, January 14-16, 2010, Lahore College for Women University Lahore, Pakistan. **(Oral)** (iv) Herbicidal activity of flavonoids of mango leaves against *Parthenium hysterophorus* L. In: 22<sup>nd</sup> Asian Pasific Weed Science Society (APWSS) Conference, March 8-12, 2010, GC University Lahore, Pakistan. **(Oral)**
- **Dr. Uzma Bashir** (i) attended First National Training Workshop on Electron Microscopy held at NIBGE, Faisal Abad from 14-24 December, 2009.
- **Dr. Shazia Shafique** Assistant Professor (i) participated in Biovision Alexandria Conference; New life Sciences: Future Prospects, held at Bibliotheca Alexandrina, Alexandria, Egypt, from April 11-15, 2010. (ii) participated in International Conference on Antimicrobial Research, Valladolid, Spain, from November, 3-5, 2010. (ii) participated in Biovision Alexandria Conference; New life Sciences: Future Prospects, held at Bibliotheca Alexandrina, Alexandria, Egypt, from April 11-15, 2010. (iii) participated in International Conference on Antimicrobial Research, Valladolid, Spain, from November, 3-5, 2010.

## FACULTY OF PHARMACY

### University College of Pharmacy:

- **Prof. Dr. Syed Saeed-ul-Hassan** (i) participated in international conference entitled “Multidisciplinary Approach in Medication Usage” organized by Jinnah Hospital Pharmacy Practices, from February 12 to February 14, 2010, Allama Iqbal Medical College, Auditorium, Lahore and participated in group discussion. (ii) participated in international seminar entitled “Opportunities - Challenges for Pharmaceutical Care Practice at Community Pharmacy in Pakistan” organized by Department of Pharmacy, Lahore College for Women University , Lahore from February 24 to February 25, 2010, Lahore and acted as Chairman Scientific Session. (iii) participated in national seminar entitled “The Role of Research and Development in Improving Access to Medicines” organized by Institute of

Pharmaceutical Sciences of the University of Veterinary and Animal Sciences, Lahore on May 31, 2010, Conference Hall UVAS, Lahore. (iv) participated in seminar entitled “Angiogenesis in Cancer Research”, organized by the University College of Pharmacy, P. U. Lahore on June 7, 2010, Lecture Room No.1, University College of Pharmacy, P. U., Lahore and participated in question answer session. (v) participated in seminar entitled “The Quality Assurance of Pharmaceuticals”, organized Pakistan Pharmacist Association on October 23, 2010, Pakistan Pharmacist Association House, 488-G, Johar Town, Lahore. (vi) participated in national seminar entitled “The Use of Animals in Science, Ethical & Practical Considerations, organized by University College of Pharmacy, P. U., Lahore from January 3 to January 4, 2011, Lecture Room No.1, University College of Pharmacy, P. U., Lahore and participated in question answer session.

- **Prof. Dr. Bashir Ahmed** (i) participated in national seminar entitled “The Use of Animals in Science, Ethical & Practical Considerations, organized by University College of Pharmacy, P. U., Lahore from January 3 to January 4, 2011, Lecture Room No.1, University College of Pharmacy, P.U., Lahore and participated in question answer session. (ii) Dr. Muhammad Tahir Javed Khan participated in seminar entitled “The Role of Research and Development in improving Access to Medicines” organized by Institute of Pharmaceutical Sciences, UVAS, Lahore on May 31, 2010, UVAS, Lahore. (iii) Dr. Muhammad Tahir Javed Khan participated in national seminar entitled “The Use of Animals in Science, Ethical & Practical Considerations, organized by University College of Pharmacy, P.U., Lahore from January 3 to January 4, 2011, Lecture Room No.1, University College of Pharmacy, P.U., Lahore and participated in question answer session. (iv) Dr. Khalid Hussain participated in national seminar entitled “The Use of Animals in Science, Ethical & Practical Considerations, organized by University College of Pharmacy, P. U., Lahore from January 3 to January 4, 2011, Lecture Room No.1, University College of Pharmacy, P. U., Lahore and participated in question answer session.

## FACULTY OF SCIENCE

### Department of Mathematics:

- **Dr. Malik Zawwar Hussain** (i) worked as a member. Program and Reviewing Committee, International Conference of Graphical Models and Imaging GMAI, July 26-29, 2010, London UK. (ii) presented paper on “Convex data modeling using spline functions in 15<sup>th</sup> International Congress on Computational and Applied Mathematics, Leuven, Belgium, July 05-09, 2010. (iii) presented paper on “Properties of Real Quadratic Irrational Numbers under the action of the group  $H = \langle x, y = x^2 = y^4 = 1 \rangle$ ”

### Department of Physics:

- **Dr .Hafiz Muhammad Rafique**, attended 37<sup>th</sup> International Conference Vacuum ultraviolet and X-ray Physics University of British Columbia Vancoures BC, Canada July 2010.

**Centre for High Energy Physics:**

- **Dr. Munawar Iqbal** (i) participated in a Conference on “18<sup>th</sup> International Vacuum Congress (IVC-18),” Organized by Chinese Vacuum Society from Sep. 22 to Sep. 27, 2010 (ii) at Beijing, China and presented a paper oral presentation “Surface modification of mild steel by electron beam melting”. (iii) Dr. Munawar Iqbal participated in a Conference on “18<sup>th</sup> International Vacuum Congress (IVC-18),” Organized by Chinese Vacuum Society from Sep. 22 to Sep. 27, 2010 at Beijing, China and presented a paper Poster presentation “Optimization of electrostatic focusing for line source electron beam emitter assembly”.
- **Dr. Bilal Masud** (i) participated in a workshop on “1<sup>st</sup> School on LHC Physics” organized by National Centre for Physics, Islamabad from Oct. 12 to Oct. 30, 2009 and gave three talks on QCD. (ii) participated in a Conference on “Winter Meeting on Particle and Fields” organized by N.C.P., Islamabad in December 2009. (iii) participated in a Conference on “General Relativity & Gravitation” organized by Department of Mathematics, Punjab University, in Feb. 2010.
- **Muhammad Ayub Faridi** (i) participated in a Conference on “General Relativity & Gravitation” organized by the Department of Mathematics, Punjab University in Feb. 2010.

**Institute of Chemistry:**

- **Dr. Sadia Ata** (i) 8<sup>th</sup> International & 20<sup>th</sup> Chemistry Conference February 15<sup>th</sup> to 17<sup>th</sup> 2010 jointly organized by the Department of Chemistry, Quaid-i-Azam University, Islamabad and the Chemical Society of Pakistan. (ii) Pakistan institute of nuclear science & technology training course on advanced analytical techniques for sustainable development September 20<sup>th</sup> to October 1<sup>st</sup>, 2010.
- **Mr. Shafiq Ahmad (Librarian)** (i) International conference 21<sup>st</sup> century vision for libraries five days training program 06-12-2010 to 10-12-2010 “information management techniques for libraries”

**Institute of Geology:**

- **Dr. Shahid Jamil Sameeni** (i) participated in International Conference on “Earth Sciences Pakistan – 2010. New Developments, held at University of Peshawar, Baragali Campus, Peshawar, Baragali Campus, Peshawar-Pakistan from September 20-22, 2010 and presented papers titled: Sedimentology of the Lockhart Limestone (Paleocene), Changlagali area, Nathiagali-Murree Road, Hazara, N. Pakistan. (ii) Biostratigraphy of Sakesar Limestone, Rikhi-Burikhel Area, Western Salt Range, Pakistan. (iii) Biostratigraphy of the Paleocene-Eocene Succession of the Tarar Area, Southern Hazara, North Pakistan. (iv) Depositional Environmental and Diagenetic Fabric of the Margalla Hill Limestone Kohala-Bala area, Haripur, Hazara, Pakistan
- **Dr. Naveed Ahsan** participated in International Conference on “Earth Sciences Pakistan – 2010. New Developments, held at University of Peshawar, Baragali Campus, Peshawar, Baragali Campus, Peshawar-Pakistan from September 20-22, 2010 and presented a paper titled “*Biostratigraphy of the Paleocene-Eocene Succession of the Tarar Area, Southern Hazara, North Pakistan*”.

- **Dr. Naveed Ahsan** participated in a Workshop on “Indo-Asia Continental Collision” held from May, 10-11, 2010” at Islamabad-Pakistan.
- **Dr. Shahid Ghazi** participated in “Three days Academic Retreat for HEC supervisors” held from June 2-5, 2010 at COMSATS, Abbottabad-Pakistan
- **Dr. Abdur Rauf Nizami** (i) participated in International Conference on “Earth Sciences Pakistan – 2010. New Developments, held at University of Peshawar, Baragali Campus, Peshawar, Baragali Campus, Peshawar-Pakistan from September 20-22, 2010 and presented papers titled: Microfacies assemblages and diagenetic framework of the Lower Eocene Sakesar Limestone, Karoli area, Central Salt Range, Sub-Himalayas of Pakistan. (ii) Salt Tectonics of the Karoli area, Central Salt Range Sub-Himalayas, Pakistan.
- **Mr. Kamran Mirza** participated in International Conference on “Earth Sciences Pakistan – 2010. New Developments, held at University of Peshawar, Baragali Campus, Peshawar, Baragali Campus, Peshawar-Pakistan from September 20-22, 2010 and presented a paper titled “*Biostratigraphy of Sakesar Limestone, Rikhi-Burikhel Area, Western Salt Range, Pakistan*”.

#### **Punjab University College of Information Technology:**

- **Dr. Syed Mansoor Sarwar**, “keynote Speaker in 3<sup>rd</sup> Global Telecommunications Congress (TeleCON 2010) Pakistan, Pearl Continental Hotel, Lahore, Pakistan, April 24, 2010”.
- **M. Shahid Fareed**, “Participated in International Conference on Machine Vision (ICMV), MCS, NUST, Islamabad, December 28-31, 2010”.
- **Dr. Shahzad Sarwar**, (i) “Workshop on Research Management, Institute of Quality and Technology Management, University of the Punjab, Lahore, Pakistan, July 27, 2010”. (ii) “Participated in 3<sup>rd</sup> Global Telecommunications Congress (TeleCON 2010) Pakistan, Pearl Continental Hotel, Lahore, Pakistan, April 24, 2010”.
