

## OFFICE OF RESOURCE GENERATION / DEVELOPMENT

Planning & Development wing is a department of the University through which all spheres of activities are planned, controlled and put into developmental operations. The Wing is currently monitoring & evaluating all the development projects funded by both federal and Provincial Governments. It also prepares the Telephone directory and compiles all type of statistical data related to the University. The compiled data is forwarded to different stakeholders like Higher Education Commission etc. which in turn uses the collected data for ranking of Universities throughout Pakistan.

During 2010-11, the Planning & Development Wing monitored the 8 on-going federally funded projects and 3 provincially funded projects as per following details:
