

6 DECADES OF EXCELLENCE OF EMINENT ALUMNUS **DR SHAUKAT MAHMOOD**

Dr Shaukat Mahmood is a name everyone is familiar with. At some point or the other in our academic lives, all of us have been graced by his wisdom. My relationship with Dr Shaukat underwent many stages, that of a student-teacher, a colleague and the most important, as a mentor. I feel an immense honor of having known him and hope that we continue benefitting from his knowledge.

DR SHAUKAT MAHMOOD

This exhibition is part of a project of MPhil class of 2021-23 to commemorate 6 Decades of Dr Shaukat Mahmood. Dr Mahmood's journey of making cartoons spans over a period of 6 decades, it started during his college days when he was left with no choice but to earn in order to support his studies. However, this quest soon became his destiny as from Shaukat he became Maxim.

The topic of his cartoons are not limited to Pakistan or Pakistani society and many a times he is seen crossing boundaries to emphasize other subjects that include the plight and lack of role of the Muslim Ummah, the role of the Western Powers, the insincerity of the world elite among several others.

The exhibited work is based on selective cartoons of Dr Mahmood and are a representation of his impression of various people, society, and the predominant circumstances. The exhibited cartoons have been divided into three genres: Caricatures of Popular Personalities, Awam Ki Halat-E-Zaar and Politics from the Pen. The caricatures are hand drawn while the rest of the cartoons are digital prints that are based on his most recent work.
