

Biosafety And Bio-resource Committee and Tumor Metabolism Lab, Punjab University Presents

Craft of Scientific Writing –A Two-Day Intensive Workshop on Scientific Writing and Publishing

6th -7th Dec 2016

This intensive workshop is designed to assist in the development of the skills that are required to write and submit scientific manuscripts. This workshop is a combination of formal presentations, engaging the participants in peer-reviewing and providing them feedback on their writing samples.

Format – This workshop will make use of a range of editing and writing exercises. There will be a balance between plenary sessions, group discussions and individual writing time. **All the participants are required to bring their laptops for the editing/writing exercises.** The participants are also encouraged to use their own writing samples for these sessions.

Key Organizers

Prof. Dr Anjum Nasim Sabri
Dr. Nousheen Zehra Zaidi
