

Eligibility criteria:

- Students already availing any other scholarship/concession/stipend from any other sources are not eligible to apply.
- Students who have not submitted College/university dues in accordance with rules are not eligible to apply.
- Students who have not submitted the scholarship form within due date, shall be precluded from appearing before committee for interview. Moreover Children of University employees must also apply by filling in the relevant form on time.
- Students who will fail to appear before the scholarship committee for interview on the given date will not be considered later.
- If the information provided by the applicant/student on the scholarship form is found incorrect he/she shall not be eligible.
- Students must apply for scholarship and renewal of scholarship in each year of study and the committee is not bound to renew the scholarship every year automatically.

I have read all the relevant rules and regulations concerning Scholarship before applying accordingly.
