

Eid Milad-un-Nabi

Organized by Department of Microbiology & Molecular Genetics,

University of the Punjab, Lahore

22nd December, 2015.

The last Prophet, Hazrat Muhammadﷺ showed mankind the light and transformed human beings into the most civilized creature of the world. Without our beloved Prophet'sﷺ teachings, darkness prevailed in the society and human beings were covered in all sorts of evils. Prophet Muhammadﷺ is “Rehmat-ul-Lil-Alameen”, mercy for all the creatures and all the worlds. Through Him, Allah Almighty bestowed upon us the eternal, unmatched, gift of the Holy Quran. To celebrate our beloved Prophet'sﷺ birthday and to pay homage to the greatest personality of the entire universe, Department of Microbiology & Molecular Genetics organized Eid Milad-un-Nabi on 22nd December, 2015. All the faculty members and the students of the department participated in the event. After recitation of the Holy-Quran, students recited a number of naat-e-Rasool-e-Maqbool to praise our beloved Prophetﷺ. At the end of the event, all the members of the department offered Salaam to our beloved Prophetﷺ.
