***NATIONAL AND INTERNATIONAL
JOURNALS/CONFERENCES***

Comparative Study on Separation Performance of Micro-Porous and Micro-Fibrous Filter Mediums

Acta Pharma Turcica Turkey, Volume I 46

Characterization & Activation of Pakistani Bentonite Clay

Pakistan Institute of Chemical Engineers Vol 10 No 1-4

Effect of Sodium Hydroxide Concentration on Nitrogen Dioxide Absorption

Jordian Chemical Engineering Conference

Manufacture of Sodium Silicate in the Presence of NaCl as Minirelizer

Pakistan Journal of Scientific Research Vol 35, No 3-4

Optimised Bio-Gas Production and Utilization

Institute of Energy, London

Stability Comparison of Concentric Tube Manometer with Conventional U-Shaped Manometer

Measurement, Elsevier UK

Utilization Perspective of Natural Gas Condensate

Pakistan Journal of Scientific Research Volume XXXIV, Number 3-4

Experimental Study on Conversion of Plastic Waste into Liquid Fuel

Pakistan Institute of Chemical Engineers Vol XXX No. 1-4

Removal of NOX Mixture from Inert Carrier

Journal of Pakistan Institute of Chemical Engineers. Vol XVI-XVIII No. 1-4

Pollution Level Measurements of Industrial Effluents Discharged into Deg Nullah

Pakistan Institute of Chemical Engineers Vol XXX Number 1-4

Practical Aspects in the Production and Utilization of Bio-Gas for Developing Countries

Ises solar world congress Kope, Japan. 4-8

Study of Heat Transfer Coefficient in Streamline Regime in a Single Tube Heat Exchanger

Pakistan Institute of Chemical Engineers. Volume XI, Number 1-4

Mass Transfer Characteristics of a Sieve Plate Pulsed Column

Journal of Pakistan Institute of Chemical Engineers Vol XXXI Number 1-4

Fuel Characteristics of Bio Gas

Journal of Pakistan Institute of Chemical Engineers Volume XIX-XX Number. 3-4

Menthol from Mentha Piperita (C₁₀H₁₉OH)

Journal of Pakistan Institute of Chemical Engineers. Volume XVI-XVIII No. 1-4

An Investigation of Nitrogen Oxides in Packed Columns

Research Colloquium, Dept of Chemical Engg, University of Leeds, England UK

Activation of Dera Ghazi Khan Fuller's Earth

Pakistan Institute of Chemical Engineers Journal Volume XI Number 1-2

History of Development of Science

Daily Newspaper

Study of Physical Properties of Plain Carbon Steel through its Microstructure

Pakistan Journal of Scientific Research Volume XXXV, Number 3-4

The Relationship Between the Mean Linear Intercept & Diffusivity in FCC Metals

Journal of the Pakistan Institute of Chemical Engineers Volume XIX-XX No. 1-4

Factors influencing the Absorption of Nitrogen Dioxide in Packed Columns

Pakistan Institute of Chemical Engineers Journal Vol XXIV No. 1-2

Pollution Awareness

Pakistan Institute of Chemical Engineers Journal Volume XXVII Number 1-4

An Investigation of Nitrogen Oxides in Packed Columns

PhD, Thesis, Dept. of Chemical Engineering, University of Leeds, England (UK)

Manufacturing Prospects of Malleable Iron parts for Tractor (PAD-PEDAL & Link)

Pakistan Journal of Scientific Research Volume XXXV Number 1-2

A Study of Preparation of Phenol Formaldehyde

Pakistan Journal of Scientific Research Volume XXXIII, Number 3-4
