## **Course introduction**

The purpose of this class is to introduce students to Advance level of English language; the Advance level of English reading, writing and speaking by understanding Parts of Speech, Tenses & word formation. The students will explore and understand writing of formal & informal Paragraphs, Essays, Email, Letters & Application. Speaking & delivering effective presentations.

## **Learning Objective:**

The course aims to:

- Strengthen the language skills in order for the students to use language effectively as a tool to succeed in academic activities which they will be carrying out as part of their academic activities.
- Enhance the development of all the four language skills but explicitly focuses on listening, reading and writing; and the efforts made in these areas are perceived to implicitly target proficiency and accuracy in the target language, English. The language skills are coincided with study skills which are directly required by students as basic skills to pursue other subjects more meaningfully.

## **Outcome**

- Students will review the grammatical forms of English and the use of these forms in specific communicative contexts, which include: class activities, homework assignments, reading of texts and writing
- Students will attain and enhance competence in the four modes of literacy: writing, speaking, reading and listening
- Students will develop their ability as critical readers and writers
- Student will produce a short research paper using the drafting process

## **Learning Methodology:**

- Lectures as provided in the schedule of the semester activities
- Study of Archival Material and recommended books
- Guest Lectures as per requirement
- Presentation on allocated topics
