

SS-408	Capstone Project	3 (0-3)
---------------	-------------------------	----------------

By the end of this course, students will be able to;

- Prepare and execute research projects
- Perform analytical work
- Conduct outreach activities
- Write a complete project report

It will include orientation regarding literature review and project planning, which will be followed by project execution, report writing, presentation and evaluation. The advisor/supervisor will be allocated to each student. Each supervisor will assign research project. Mini thesis/report will be submitted by each student at the end of semester.
