Programme	BS Political Science Course Code Credit Hours		Credit Hours	3		
Course Title Classical to Renaissance Political Philosophy						
Course Introduction						

#### **Course Introduction**

This course is designed to provide students grounding in evolution of Greek Political thought and institutions. The significance of this course is that Greek philosophy and institutions provided the basis for further development of the political studies.

# **Learning Outcomes**

On the completion of the course, the students will be able to:

- recognize and describe the main philosophers from Socrates to the Medieval period, including Socrates, Plato, Aristotle, Augustine, and Thomas Aquinas.
- Understand the historical and cultural context in which these philosophers worked.
- Read and interpret primary philosophical texts with a critical eye.
- Extract and summarize key arguments and ideas from these texts.
- Explain central concepts and theories introduced by these philosophers, such as the Socratic method, Platonic forms, Aristotelian logic, and Augustinian theology.
- Discuss the development of metaphysics, epistemology, ethics, and political philosophy during this period.

.
