## **Course introduction**

The purpose of this class is to introduce students with the political and social development of Pakistan, a newly formed nation facing severe crisis and challenges. In this course students will learn about government and politics of Islamic Republic of Pakistan from 1947 till date.

## **Learning Objective:**

To understand the governance and policies under different civil & military regimes and their influence on the political and cultural development of contemporary Pakistan. To explore the futuristic outlook of the nation i.e., Ethnicity, Foreign Policy of Pakistan and upcoming future challenges.

## **Outcome**

By the end of semester, the students should be able to:

- Understand political and social development of Pakistan throughout the years
- Military dictatorships and its influence on politics of Pakistan afterwards
- Comparative analysis of different eras of government
- Understand economic institutions and issues, society and social structure
- Understand the futuristic outlook of Pakistan

## **Learning Methodology:**

- Lectures as provided in the schedule of the semester activities
- Study of Archival Material and recommended books
- Guest Lectures as per requirement
- Presentation on allocated topics
