Week 2	Shooting Techniques and Stances - Practical session on different shooting positions: prone, standing, kneeling. - Drills focusing on breath control, trigger control, and sight alignment. - Target practice with peer assessment.				From Books and Class Lectures
Week 3	Introduction to Archery - Lecture on the history, rules, and types of archery. - Safety briefing and demonstration. - Hands-on session on handling and maintaining bows and arrows.				From Books and Class Lectures
Week 4	Archery Techniques and Form Practical session on stance, nocking the arrow, and drawing the bow.				From Books and Class Lectures

	• Drills focusing on aiming, release, and follow-through. • Target practice with peer assessment.	
Week 5	Introduction to Rifle Shooting • Lecture on the history, rules, and types of rifle shooting. • Safety briefing and demonstration. • Hands-on session on handling and maintaining rifles. Shooting Techniques and Stances • Practical session on different shooting positions: prone, standing, kneeling. • Drills focusing on breath control, trigger control, and sight alignment. • Target practice with peer assessment. Introduction to Archery • Lecture on the history, rules, and types of archery. • Safety briefing and demonstration. • Hands-on session on handling and maintaining bows and arrows. Archery Techniques and Form • Practical session on stance, nocking the arrow, and drawing the bow. • Drills focusing on aiming, release, and follow-through. • Target practice with peer assessment.	From Books and Class Lectures
Week 6	Introduction to Wrestling • Lecture on the history, rules, and objectives of wrestling. • Safety briefing and demonstration. • Practical session on basic wrestling skills: stance, movement, and grips.	From Books and Class Lectures
Week 7	Takedowns and Defense Techniques • Practical session on various takedowns: single-leg, double-leg, and throws. • Drills focus on defence techniques and counters. • Partner practice to simulate match conditions.	From Books and Class Lectures
Week 8	Introduction to Boxing • Lecture on the history, rules, and objectives of boxing. • Safety briefing and demonstration. • Practical session on basic boxing skills: stance, footwork, and punches.	From Books and Class Lectures
Week 9	Punching Techniques and Defense • Practical session on various punches: jab, cross, hook, uppercut.	From Books and Class Lectures

	• Drills are focusing on defence techniques: blocking, slipping, and parrying. • Partner practice with focus mitts and sparring drills.	
Week 10	Introduction to Wrestling • Lecture on the history, rules, and objectives of wrestling. • Safety briefing and demonstration. • Practical session on basic wrestling skills: stance, movement, and grips. Takedowns and Defense Techniques • Practical session on various takedowns: single-leg, double-leg, and throws. • Drills focus on defence techniques and counters. • Partner practice to simulate match conditions. Introduction to Boxing • Lecture on the history, rules, and objectives of boxing. • Safety briefing and demonstration. • Practical session on basic boxing skills: stance, footwork, and punches. Punching Techniques and Defense • Practical session on various punches: jab, cross, hook, uppercut. • Drills are focusing on defence techniques: blocking, slipping, and parrying. • Partner practice with focus mitts and sparring drills.	From Books and Class Lectures
Week 11	Introduction to Weightlifting • Lecture on the history, rules, and objectives of weightlifting. • Safety briefing and demonstration. • Hands-on session on handling and maintaining weightlifting equipment.	From Books and Class Lectures
Week 12	Lifting Techniques and Form for Snatch • Practical session on basic lifts: Snatch. • Partner practice with peer assessment on form and technique.	From Books and Class Lectures
Week 13	Lifting Techniques and Form for Clean+Jerk • Practical session on basic lifts: Clean+Jerk. • Partner practice with peer assessment on form and technique.	From Books and Class Lectures
Week 14	Lifting Techniques and Form for Squat, Bench-Press & Deadlift • Practical session on basic lifts: Squat, Bench-Press & Deadlift. • Partner practice with peer assessment on form and technique.	From Books and Class Lectures

Week 15	Introduction to Weightlifting • Lecture on the history, rules, and objectives of weightlifting. • Safety briefing and demonstration. • Hands-on session on handling and maintaining weightlifting equipment. Lifting Techniques and Form for Snatch • Practical session on basic lifts: Snatch. • Partner practice with peer assessment on form and technique. Lifting Techniques and Form for Clean+Jerk • Practical session on basic lifts: Clean+Jerk. • Partner practice with peer assessment on form and technique. Lifting Techniques and Form for Squat, Bench-Press & Deadlift • Practical session on basic lifts: Squat, Bench-Press & Deadlift. • Partner practice with peer assessment on form and technique.	From Books and Class Lectures
Week 16	Review and Final Assessment • Review of key concepts • Final exam preparation	From Books and Class Lectures
