

# PAKISTAN STUDIES

Course Code

APAK-111

Credit Hours

2 (2-0)

## Course Introduction

This course provides a basic understanding of Pakistani studies. It highlights the justification for studying the Pakistan Movement and the Political Development after its inception. It covers studying salient features of Pakistan, such as its Land, Economy, Human Development, and Domestic, International, and Current Affairs. The course will provide opportunities for students to enhance their content knowledge in disciplines that form the core of Pakistan Studies.

## Learning Outcomes

On the completion of the course, the students will know:

1. Create awareness about Pakistan as an enlightened nation by comparing it with the rationale and endeavors for Pakistan's creation
2. Educate themselves about the key concepts in Pakistan Studies disciplines, including History, Geography, Economics, and Political Science.
3. Assist themselves in identifying various perspectives on current, persistent, and controversial issues in Pakistan; identify their position on these issues and be able to support them.
