

SEMESTER-VIII

CPSY-415

RESEARCH THESIS (Major)

Credit Hour: 6 (4+2)*

*2 carried over from Semester VII

Course Objectives

The aim of the Course is to equip Students with critical analysis and evaluation of the scientific literature. It will help Students to devise a research study on their own and contribute valuable knowledge in the field of Psychology.

Course Contents

The Student will be expected to carry out research project on individual basis. In the first semester they are required to prepare a synopsis of the research. They are supposed to submit a thesis Report at the end of Semester-VIII or fourth academic year. The final evaluation will be on the basis of the report as well as individual Viva Voce Examination.

Course Outcomes

By the end of the semester the Students will be able to conceptualize and synthesize a research report. They will be able to understand and design a research study by analyzing the existing literature.
