

## **SEMESTER-VII**

**CPSY-415**

**RESEARCH THESIS (Major)**

**Credit Hours: 2 (Carried Over)**

Type: Major

### **Course Objectives**

The aim of the Course is to equip Students with critical analysis and evaluation of the scientific literature. It will help Students to devise a research study on their own and contribute valuable knowledge in the field of Psychology.

### **Course Contents**

The Student will be expected to carry out research project on individual basis. In the first semester they are required to prepare a synopsis of the research. They are supposed to submit a Formal Report at the end of Semester-VIII or fourth academic year. The final evaluation will be on the basis of the report as well as individual Viva Voce Examination.

### **Course Outcomes**

By the end of the semester the Students will be able to conceptualize and synthesize a research project. They will be able to understand and design a research study by analyzing the existing literature.
