

SEMESTER-V

CPSY-316

RESEARCH METHODS-I (Practical)

Credit Hour: 4

Type: Major

Course Objectives

The aim of the Course is to help Students understand the basic components of research report and to design a research study and undergo the process of research.

Course Contents

A group of 3-4 Students will design a research based on the gaps in literature. They will plan their research and submit a research synopsis of the said project on APA 6 format.

Course Outcomes

By the end of this Course the Students will be able to evaluate the available research studies, design their own research in the light of previous existing ones and write a research report on it.
