

Invention to Innovation Summit 2013

Venue: University of the Punjab **Date:** 9-10 April, 2013 **Time:** 9am-5pm

www.irp.edu.pk - uip@irp.edu.pk

Innovation Summit is an annual event to exhibit industry driven ideas, products and technologies in Pakistan. The Summit provides great opportunity to network with innovation gurus, find commercial partners, promote technology and link your technology with stakeholders. The summit also creates a competition for innovation by providing **Innovation Awards** for Technology, Products and Ideas.

Innovation Summit includes

- Industry presentations on demand driven technologies
- University presentations on available technologies
- Case studies of successful local technologies
- Exhibition of innovative industry products
- Exhibition of innovative university technologies

Your are requested to

- Become collaborator of Innovation Summit
- Encourage industry to exhibit products
- Encourage universities to share technology
- Encourage your members/colleagues to participate

Innovation Summit 2013 also presents

Presidential Conference by Presidents of Chambers of Commerce and Industries on Industrial Progress through Innovative Technologies

Mr. Zia Ameen Shiekh (President) and Mr. Faisal Razzaq Khawaja (Chairman, R&D Cell) of Sargodha Chamber of Commerce & Industry cordially invite Presidents and R&D Heads of Chambers of Commerce and Industries in Punjab to participate in the meeting. The agenda of meeting is to discuss state of technology in industry, relevant technologies demanded by local industry, industry issues in liaison with universities, and planning for development of local technologies

Program of Presidential Meeting

Date: 10th April 2013 Time: 02pm-4pm Venue: University of the Punjab
Organized by Sargodha Chamber of Commerce & Industry

President Message

Sargodha Chamber of Commerce and Industry is a premier business chamber serving the interests of business community. R&D Centre of Sargodha Chamber is partner of IRP for development of local technologies. We invite all chambers of commerce and industries of Punjab to join hands for innovations and technological developments in the industry. We have planned an annual presidential conference of presidents of Punjab Chambers on the agenda of progress through innovative technologies in **Innovation Summit 2013**.

I invite all respectable presidents to spare time and advance the agenda of innovations in business sector of Pakistan

Mr. Zia Ameen Shiekh

Presidents, Sargodha Chamber of Commerce and Industry
