--

## Research Works:

I.	<b>Dissertation</b>
II.	<b>Rights of Minority Shareholder:</b> The aim of my dissertation was to explore the law under which shareholders may be allowed to bring an action despite the fact that the company is normally the proper claimant. Critically analyze the majority rule defined in Foss Vs Harbottle (1843).
	<b>Course Works</b>
I.	<b>Right of Humanitarian Intervention:</b> discusses the use of force on humanitarian grounds with or without authorization of Security Council when there is massive violation of human rights.
II.	<b>Racial Discrimination:</b> proves race discrimination as a vice that needs to be eradicated from society at all levels.
III.	<b>Effects of Legal Personality:</b> discusses the advantages of the limited liability Company and legal personality of the company that is registered under the UK Companies Act 2006.
IV.	<b>Efficiency of Corporate Form of Business:</b> discusses a major challenge in the corporate governance of providing unrestricted power to managers while keeping them accountable for the use of that authority.
