

Dr. Nayab Iftikhar

PHD in Education Management | HEC Approved PHD Supervisor
PGD Professional Ethics & Teaching Methodology | Post Graduate Diploma
Ms in Speech and Language Pathology | MS/M.Phil
Master in Psychology | Masters

I am assistant Professor and Program Coordinator of Speech and Language Pathology/Therapy at University of the Punjab. I provided my services in teaching and clinical establishments of different Organizations, I provided services as an adjunct faculty member in paramount institutes around Pakistan in Riphah College of rehabilitation Islamabad, OASIS Trust at Sharif Medical City Lahore, Autism Resource Center, and Recovery Center Lahore etc. I secured pivotal roles in these organizations for the profound uplifting of academic, clinical, literary and research projects as a scholarly professional and researcher.

I did my MSc Psychology from University of Gujrat, Gujrat. I enhanced my qualification by earning MS degree in Speech and Language Pathology from Riphah International University, Islamabad (Awarded equivalency of 18 years of schooling, Master/M.Phil by HEC). I enriched my qualification further with a Postgraduate Diploma in Professional Ethics and Teaching Methodology (PGD, PE&TM). I further enhance my qualification by earning PhD degree in Education Management at IFUGAO States University Philippines.

I have supervised more than 70 research theses and have 20 research publications in National and International Journals. The research area mostly I worked with is neuro developmental, Communication difficulties and dysphagia particularly. I have played a major role in establishment of speech and language pathology clinic at RIPHAH International University. A clinician with 10 years experiences of clinical practices and mentorships during which I mastered and taught TEACCH, MAKATON, PECS and ABA.
