

Dr. Muhammad Irfan Ehsan
Assistant Professor
Geophysics

Research Interests

Geophysical exploration, Gas Hydrates, Rock physics, earthquake seismology

Qualifications

- Ph.D. Geophysics, 2016, China University of Geosciences
- M.Sc. Seismology, Institute of Geology, University of the Punjab
- B.Sc., 2005, University of the Punjab

Experience

- Assistant Professor at Institute of Geology, University of the Punjab (2020-till date)
- Assistant Professor (on contract) at Institute of Geology, University of the Punjab (2018-till date)
- Assistant Professor (IPFP) at Institute of Geology, University of the Punjab (2017-2018)

Teaching

Geophysics, Well logging

Research Projects/ Funding

Awards and Honors

Performance Based Increments (PBI) since 2020

Conferences

-
