INTRODUCTION

- Public health and safety professional with 17 years of demonstrated work experience
- Contributed to global organizations including: WHO, UNICEF, Johns Hopkins University USA, Global Road Safety Partnerships (GRSP) Switzerland, USAID, NTU International Denmark, Asian Development Bank, QUT Australia
- Project planning, policy, management, monitoring, evaluation, teaching and research are some of my major capabilities.
- Possess strong communication, management, administration and leadership skills.
- Member of the international Australasian College of Road Safety
- Designed and running a degree program “BS Workplace Health & Safety Promotion” at Punjab University Lahore.
- Received ‘Best research paper by a new researcher award’ at Australasian Road Safety Conference held at Cairns Australia in 2023.
- Running my own YouTube channel ‘**health360 with Dr Navid**’ for public health awareness and health promotion.

EDUCATION

- **Doctor of Philosophy – PhD (Public health) (2014-2017)**
Queensland University of Technology (QUT), Brisbane, Australia
- **Master in Public Health Sciences (Health Promotion) (2005-2006)**
Karolinska Institute, Stockholm, Sweden
- **BSC Physiotherapy (1998-2002)**
King Edward Medical University/Mayo Hospital, Lahore, Pakistan
- **Global Road Safety Leadership Course (September 2019)**
Johns Hopkins University, Baltimore USA - GRSP
- **Road Safety Audit Course (October-November 2023)**
Safe Systems Solutions pvt limited Australia
- **Injury Prevention Evaluation Models (2015-2016)**
CARRS-Q, Queensland University of Technology (QUT), Brisbane, Australia
- **International Health Courses, Karolinska Institute, Stockholm, Sweden (2006-2007)**
 - Postgraduate Course in HIV/AIDS and other Viral Infections
 - Postgraduate Course in Tuberculosis and other Bacterial Infections

EMPLOYMENT HISTORY
