## EXPERIENCE

### Assistant Professor

School of Chemistry, University of the Punjab

01/2016 Lahore, Pakistan

An academic institution focusing on advanced chemistry education and research

- Elevated the department's global research profile through high-impact publications
- Guided numerous Ph.D. (6), M.Phil (37), and BS (110) graduates into professional and academic careers
- Lead departmental initiatives in graduate curriculum design
- Foster a culture of rigorous, independent research excellence among the next generation of chemists

### Lecturer

Institute of Chemistry, University of the Punjab

02/2009 - 01/2016 Lahore, Pakistan

A leading institution for chemistry education in Pakistan

- Taught various chemistry courses and mentored students
- Engaged in research projects and collaborations

## EDUCATION

### Ph.D (Chemistry)

Institute of Chemistry, University of the Punjab

02010 - 2016 Lahore, Pakistan

### M.Sc (Chemistry)

Institute of Chemistry, University of the Punjab

02004 - 2006 Lahore, Pakistan

### B.Sc

University of the Punjab, New Campus

2002 - 2004 Garrison College for Women, Lahore, Pk

### B.Ed (Science)

Allama Iqbal Open University

2006 - 2008 Islamabad

### F.Sc (Pre-Medical)

Federal Board

2000 - 2002 Garrison College for Women, Lahore, Pk

### Matric (Science)

Faisalabad

1998 - 2000

## SUMMARY

I am currently working as Assistant Professor at the School of Chemistry, University of the Punjab, with a focus on Inorganic and Analytical Chemistry. I have published over 160 research papers and authored 13 books, contributing significantly to the global research profile of my department. I am dedicated to mentoring students and fostering a culture of excellence in chemistry education

## KEY ACHIEVEMENTS

### High-impact Publications

Successfully published over 160 research papers and authored 13 books.

Supervised 6 Ph.D, Won many research grants and incentive awards.

In Top 2% Scientists list of Stanford University (2024, 2025)
