

# MUHAMMAD IMRAN

Highly skilled professional with MS Security & Strategic Studies, Bachelor of Law and a Master's in History, combined with six years of experience as an advocate specializing in human rights and human security from 2018 to 2024, I have actively contributed to advancing social justice and advocating for marginalized communities. My expertise extends to research and analysis, particularly on non-traditional security issues for any country, as reflected in my published research articles. I am eager to bring my dedication, knowledge, and passion for upholding human rights to a dynamic team or organization dedicated to making a positive impact on the society.
