

# Seminar Invitation: Quasi-Harmonic $\lambda$ zier Surface

Speaker: **Mariyam Ehsan Buttar** from Department of Mathematics, University of the Punjab, Lahore

## Speakers' Brief Introduction

Ms. Mariyam Ehsan Buttar is a Ph.D. scholar working under the supervision of Dr. Daud Ahmad. The field of student research is Applied Mathematics, specializing in Surfaces.

## Abstract

This talk presents the examination of quasi harmonic  $\lambda$ -Bezier surfaces and minimizes the area of a surface.

## Departmental Seminar Series

The Seminar Series serves as a platform to showcase and celebrate the remarkable work carried out by our researchers, scholars, and experts. It provides an avenue for knowledge dissemination and collaboration, creating an environment that nurtures innovative ideas and drives groundbreaking research. We proudly acknowledge and celebrate the remarkable contribution of Prof. Dr. Muhammad Sharif in introducing this seminar series back in 2005. The Seminar Series encompasses a wide range of topics, spanning various disciplines, ensuring that it caters to our institute's community's diverse interests and expertise. Through these seminars, we aim to cultivate an environment of intellectual curiosity, stimulating meaningful discussions, and fostering interdisciplinary collaborations.

## Please join us for this Presentation

**When:** Tuesday 22th August 2023; 1400-1430

**Where:** Computer Lab, Department of Mathematics, University of the Punjab, Lahore

**Note:** All the faculty members and research scholars (MPhil/PhD) are invited to the seminar.

## Chairman Message

It is my honor to witness the passion and dedication that our faculty and students bring to the study of this beautiful discipline. I encourage our faculty members to create a supportive environment that nurtures and promotes mathematical research. I urge each and every one of you, regardless of your level of experience, to actively participate in mathematical research and contribute to the growth of our research community. It is our collective responsibility to create an ecosystem that encourages and facilitates research pursuits.

## Coordinator Departmental Seminar Series

**Dr. Zeeshan Yousaf**

Associate Professor

Department of Mathematics, University of the Punjab, Lahore
