

**ARABIC LANGUAGE
AND CHALLENGES OF GLOBALIZATION**

Hamid Ashraf Hamdani, PhD
Professor of Arabic
Department of Arabic, University of the Punjab, Lahore

Abstract

Like other languages of the world, Arabic is too facing many challenges. It is the direct target of the international evil forces for being the official language of Islam. This article discusses both positive and negative effects of globalization on Arabic language. The article starts with the definition of language, its importance and especially a review of the literary position of Arabic language. The article ends with some suggestions and redresses to tackle the challenges of globalization with reference to Arabic language.
